

The background of the cover is a dark, artistic illustration of various microorganisms. In the upper left, there are green, leaf-like structures with circular patterns. Below them are several purple, oval-shaped structures with a textured, almost crystalline surface. To the right, there are larger, more complex structures with a green outer layer and a purple inner core, resembling spores or specialized cells. A vertical, shimmering, silver-like beam of light or energy runs down the center of the cover, passing through the various microbial forms.
