Los instrumentos del mal Imogen Robertson, 2014-11-07 Sussex 1780 Cuando un cadáver sin identificar aparece en las lindes de su propiedad la curiosa Harriet Westerman no puede evitar implicarse en la resolución de este misterio. Para ello busca la ayuda de su huero vecino, un anatomista de inteligencia notable pero escasas aptitudes sociales. Las pistas apuntan a la familia del conde de Sussex, a su joven segunda esposa y a su hijo alcohólico excombatiente en la guerra de Independencia americana. Mientras tanto en Londres Alexander Adams es asesinado delante de sus dos hijos pequeños. Las deudas y la complicada historia de los pequeños los llevarán también a Sussex donde se convierten en un elemento clave de la resolución del misterio. La presión sobre Harriet y Gabriel es grande y el peso de los secretos del conde amenaza con sepultarlos a todos.
