Rioux,1987 Diving scientific diving and diver safety are specialized subject areas not generally well represented in even the

largest of academic libraries largely because of difficulties in locating appropriate items to include in the collection. However in order to adequately fulfill his/her responsibilities the Diving Safety Officer of a scientific diving program needs easy access to a broad range of books, reports and journals covering all aspects of diving. This bibliography outlines a comprehensive collection appropriate to the needs of a scientific diving program in a research or academic institution. Items are grouped in broad subject areas corresponding to various aspects of the diving program. Both title and author indexes are also included.
