Pantomime L.R. Lam, 2025-09-11 A VIBRANT TALE LEIGH BARDUGO From the Sunday Times bestselling author of Dragonfall comes the first in a gaslamp fantasy trilogy about a circus aerialist's quest to escape his past and decipher the magical prophecy that will shape his future In a land of lost wonders the past is stirring once more When Micah runs away from a debutante's life at home and joins the circus he harbours two secrets One he was born between male and female And two he may have powers last seen in mysterious beings from an almost forgotten age As Micah discovers the joy of flight as an aerialist courting his trapeze partner Aenea and confiding in the mysterious white clown Drystan he finally feels free But the circus has a dark side and Micah's past isn't done with him Meanwhile the strange ghost of a woman with damselfly wings whispers to Micah that only he can help magic return to the realm and he fears she may be right Micah has much to learn and he must do it quickly before his past and future collide with catastrophic consequences A gorgeous and inventive fantasy with queer elements inspired by Victorian Scotland L R Lam weaves a coming of age tale stirrings of first love and prophetic whispers into this unforgettable first installment of the Micah Grey series READERS LOVE IT Lushly written and beautifully imaginative It was beautiful exciting and thought provoking The worldbuilding was so deeply immersive A luscious intricately imagined tale of identity love terror freedom and magic I was hooked from the start and enjoyed the rollercoaster all the way to the end
