Pharies, 1986 No detailed description available for Structure and Analogy in the Playful Lexicon of Spanish *4 Mexican Paper Crafts: Simple and Fun Craft Tutorials Inspired by Mexican Artisan Paper Decorations* Ellen Deakin, Harry Olden, 2014-08 Description The Mexican tradition of paper crafting dates back to pre Hispanic times when the Aztecs made paper from tree bark called Amate With the Spanish conquest brightly colored tissue paper or Papel de China arrived on trading boats from the Phillipines and was used in paper crafts Pinatas papel picado and paper flowers are important in the festivities of Cinco de Mayo and Dia de los Muertos and are also used to decorate birthday parties weddings and baby showers amongst other celebrations From the beginning of Happythought we have been inspired by the beauty and simplicity of these Mexican paper crafts We have really enjoyed trying our hand at creating our own with satisfying results Now we have put together four of our favorite paper craft tutorials for you try in one book The techniques we have used are not always traditional the projects are designed to be easy to make and use materials that you hopefully already have at home or in your craft box The crafts are also designed with little fingers in mind most of the activities are easy enough for a child to complete with a little adult supervision Tutorials How to make a paper star These stunning ornaments are partly inspired by Mexican star pinatas and partly by the beautiful Moravian tin star lanterns made by Mexican artisans You could also attach your star decorations to a string of fairy lights to make a garland of teeny tiny star lanterns We have provided three colorful templates for you to use or why not create your own using the black and white template as a starting point How to make paper flowers These simple paper flowers are fun to make and so easy that the

whole family can get involved They can be used to decorate a party or Cinco de Mayo celebration arranged in vases or as a centerpiece at a wedding or placed on an ofrenda for Dia de los Muertos You could also attach one or two flowers to a bobby pin or hair band and create a decorative hair piece How to make papel picado Papel picado means punched or perforated paper and traditionally papel picado are made from colored tissue paper and cut using chisels We wanted to simplify the perforated paper technique so that you could create papel picado with household scissors and after a bit of experimentation we came up with this easy method of producing your own stunning papel picado We made ours using crepe paper as it comes in lovely vibrant colors and we found it much easier to handle than tissue paper which tends to tear It also means that your papel picado last longer so you can use them again next year How to make a mini pinata Ever since we moved our family to South America we have all fallen head over heels for pinatas so it wasn't long until we felt compelled to try making one of our own Traditionally you beat a pinata with a stick until it exploded and all the yummy shiny contents fell to the ground Now days as a safer option pinatas often come with a string which you pull down on to release the contents We wanted to make a fully functioning mini pinata so ours too has a pull string It's been tried and tested by our children so we can report that it works beautifully Templates If you would like to use the templates shown in the tutorial photos they are all free with the book to download from the Happythought website We have also included templates in this book which you can photocopy and scale up to use for your projects copy by hand or use as inspiration for your own designs *New Technical and Commercial Dictionary*, 1942 *Make Papel Picado* Conni Medina, 2018-03-29 Read Along or Enhanced eBook Do you have something to celebrate You can celebrate by making papel picado Featuring vibrant step by step photo instructions this nonfiction book helps introduce children to another culture through craft making and designs *Papel Picado Hands-On Art History*, 2017-11-27 In Mexico cut tissue paper or papel picado is a traditional decoration for Cinco de Mayo the Day of the Dead national holidays weddings funerals and many other celebrations They are inexpensive and ephemeral which means that people create and recreate these beautiful paper works Now everyone can enjoy decorating these colorful works
