Parables & the Enneagram Clarence Thomson,1996 No matter what your personality type Jesus parables can help you be awake and aware of your special challenges and unique gifts Thomson shows readers how Jesus used parables to teach people who listened but couldn't hear who saw but didn't understand He applies specific parables to each enneagram type so that the reader can break the trance of the world and live consciously in the kingdom of God The Parables of Jesus Arland J. Hultgren,2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached

Stories with Intent Klyne Snodgrass,2008-01-11 Stories with Intent offers pastors and students an accessible and comprehensive guide to Jesus parables Klyne Snodgrass explores in vivid detail the context in which these stories were told the purpose they had in Jesus message and the ways they have been interpreted by the church and modern scholarship While holding a consciously evangelical approach Snodgrass deals throughout with a broad spectrum of opinions and interpretations He begins by surveying the primary issues in parables interpretation Offering both a new more functional classification system for Jesus parables and guidelines for interpreting them he provides an overview of other parables often neglected in the discussion from the Old Testament Jewish writings and the Greco Roman world The remaining chapters group the longer and more important parables of Jesus thematically and give a comprehensive treatment of each including background and significance for today *Creating Stories That Connect* D.
