

What is Security Studies? – Security is often part of other academic studies, like International Relations, International Politics, etc.

- International Relations and International Security are often considered as subdisciplines of International Studies, Security Studies is more like a discipline, focusing on the study of security policy and security issues.
- Security studies is a relatively young discipline that is developing rapidly.
- It is a multidisciplinary discipline that draws from many other disciplines.
- It is also a young discipline, founded by the Second World War.
- Since then, it has developed rapidly and is now a leading discipline.

What is Security Studies and International Studies?

International Studies

- International Studies is a broad discipline that includes
- International Politics, International Relations, International Economics, International Law, International Security, etc.
- International Politics is concerned with the international system, the international order, and the international community.
- International Relations is concerned with the international system, the international order, and the international community.
- International Economics is concerned with the international system, the international order, and the international community.
- International Law is concerned with the international system, the international order, and the international community.
- International Security is concerned with the international system, the international order, and the international community.
- International Studies is a broad discipline that includes all of these.
- International Studies is not a discipline, but a discipline that includes many disciplines.
- International Studies is a broad discipline that includes many disciplines, suggesting all these disciplines are related and interconnected and have a common goal and objective.

International Studies is concerned with the international system and the international order, the international community, and the international community.

Security Studies is concerned with security and security issues, and security issues are concerned with security policy and security issues.
