Psychomagic Alejandro Jodorowsky, 2010-06-18 A healing path using the power of dreams theater poetry and shamanism Shows how psychological realizations can cause true transformation when manifested by concrete poetic acts Includes many examples of the surreal but successful actions Jodorowsky has prescribed to those seeking his help While living in Mexico Alejandro Jodorowsky became familiar with the colorful and effective cures provided by folk healers He realized that it is easier for the unconscious to understand the language of dreams than that of rationality Illness can even be seen as a physical dream that reveals unresolved emotional and psychological problems Psychomagic presents the shamanic and genealogical principles Jodorowsky discovered to create a healing therapy that could use the powers of dreams art and

theater to empower individuals to heal wounds that in some cases had traveled through generations The concrete and often surreal poetic actions Jodorowsky employs are part of an elaborate strategy intended to break apart the dysfunctional persona with whom the patient identifies in order to connect with a deeper self That is when true transformation can manifest For a young man who complained that he lived only in his head and was unable to grab hold of reality and advance toward the financial autonomy he desired Jodorowsky gave the prescription to paste two gold coins to the soles of his shoes so that all day he would be walking on gold A judge whose vanity was ruling his every move was given the task of dressing like a tramp and begging outside one of the fashionable restaurants he loved to frequent while pulling glass doll eyes out of his pockets The lesson for him was that if a tramp can fill his pockets with eyeballs then they must be of no value and thus the eyes of others should have no bearing on who you are and what you do Taking his patients directly at their words Jodorowsky takes the same elements associated with a negative emotional charge and recasts them in an action that will make them positive and enable them to pay the psychological debts hindering their lives

[The Spiritual Journey of Alejandro Jodorowsky](#) Alejandro Jodorowsky, 2008-05-27 Jodorowsky's memoirs of his experiences with Master Takata and the group of wisewomen magiciennes who influenced his spiritual growth Reveals Jodorowsky turning the same unsparing spiritual vision seen in *El Topo* to his own spiritual quest Shows how the author's spiritual insight and progress was catalyzed repeatedly by wisewoman shamans and healers In 1970 John Lennon introduced to the world Alejandro Jodorowsky and the movie *El Topo* that he wrote starred in and directed The movie and its author instantly became a counterculture icon The New York Times said the film demands to be seen and Newsweek called it An Extraordinary Movie But that was only the beginning of the story and the controversy of *El Topo* and the journey of its brilliant creator His spiritual quest began with the Japanese master Ejo Takata the man who introduced him to the practice of meditation Zen Buddhism and the wisdom of the koans Yet in this autobiographical account of his spiritual journey Jodorowsky reveals that it was a small group of wisewomen far removed from the world of Buddhism who initiated him and taught him how to put the wisdom he had learned from his master into practice At the direction of Takata Jodorowsky became a student of the surrealist painter Leonora Carrington thus beginning a journey in which vital spiritual lessons were transmitted to him by various women who were masters of their particular crafts These women included Do a Magdalena who taught him initiatic or spiritual massage the powerful Mexican actress known as La Tigresa the tigress and Reyna D Assia daughter of the famed spiritual teacher G I Gurdjieff Other important wisewomen on Jodorowsky's spiritual path include Mar a Sabina the priestess of the sacred mushrooms the healer Pachita and the Chilean singer Violeta Parra The teachings of these women enabled him to discard the emotional armor that was hindering his advancement on the path of spiritual awareness and enlightenment

Alejandro Jodorowsky William Egginton, 2023-12-14 Alejandro Jodorowsky is a force of nature At 90 years old he is still making films and is a cultural phenomenon who has influenced other artists as disparate as John Waters and Yoko Ono Although his body

of work has long been considered disjointed and random William Egginton claims that Jodorowsky's writings, theatre work and mime and his films along with the therapeutic practice he calls psychomagic can all be tied together to form the philosophical programme that underpins his films Incorporating surrealism and thinkers including Lacan, Kant, Hegel and Freud into his interpretation of Jodorowsky's work Egginton shows how his diverse films are connected by interpretive practices with a fundamental similarity to Lacanian psychoanalysis Using case studies of Jodorowsky's cult films *El Topo*, *Fando y Lys* and *Holy Mountain* and more this book provides a unique perspective on a filmmaker whose work has been notoriously difficult to analyse

Anarchy and Alchemy Ben Cobb, 2007 Features exclusive interview material, rare images and exhaustive chapters on all Jodorowsky's films

The Dance of Reality Alejandro Jodorowsky, 2014-06-06 A glimpse into the mind and life of one of the most creative and enigmatic visionaries of our time filmmaker Alejandro Jodorowsky Retraces the spiritual and mystical path Jodorowsky has followed since childhood vividly repainting events from the perspective of an unleashed imagination Explores the development of the author's psychomagic and metagenealogy practices via his realization that all problems are rooted in the family tree Includes photos from Jodorowsky's appearance at the 2013 Cannes Film Festival and from the film based on this book which debuted at Cannes Retracing the spiritual and mystical path he has followed since childhood Alejandro Jodorowsky re-creates the incredible adventure of his life as an artist, filmmaker, writer and therapist all stages on his quest to push back the boundaries of both imagination and reason Not a traditional autobiography composed of a chronological recounting of memories *The Dance of Reality* repaints events from Jodorowsky's life from the perspective of an unleashed imagination Like the psychomagic and metagenealogy therapies he created this autobiography exposes the mythic models and family templates upon which the events of everyday life are founded It reveals the development of Jodorowsky's realization that all problems are rooted in the family tree and explains through vivid examples from his own life particularly interactions with his father and mother how the individual's road to true fulfillment means casting off the phantoms projected by parents on their children *The Dance of Reality* is autobiography as an act of healing Through the retelling of his own life the author shows we do not start off with our own personalities they are given to us by one or more members of our family tree To be born into a family Jodorowsky says is to be possessed To peer back into our past is equivalent to digging into our own souls If we can dig deep enough beyond familial projections we shall find an inner light a light that can help us through life's most difficult tests Offering a glimpse into the mind and life of one of the most creative and enigmatic visionaries of our time *The Dance of Reality* is the book upon which Jodorowsky's critically acclaimed 2013 Cannes Film Festival film of the same name was based

Alejandro Jodorowsky,Zoran Janjetov,Fred Beltran,2014-03-19 The cosmic adventures of a young boy on his path to ridding the galaxy of an insidious technological plague *The Panic Fables* Alejandro Jodorowsky,2017-03-16 The complete series of filmmaker Alejandro Jodorowsky s spiritual comics translated into English for the first time Contains all 284 of Jodo s Panic Fables comics published weekly from 1967 to 1973 in Mexico City s El Heraldo newspaper Includes an introduction describing how the Panic Fables came to be Explains how he incorporated Zen teachings initiatory wisdom and sacred symbology into his Panic Fables as well as himself as one of the characters In 1967 in response to theatrical censorship rules that put him on the political black list in Mexico City and caused his plays and his pantomime classes at the School of Fine Arts to be cancelled Alejandro Jodorowsky decided to pursue a new form of artistic expression to earn his living comics Working with his friend Luis Spota the editor of the cultural section of the newspaper El Heraldo de M xico Jodo initially planned 3 months worth of weekly comics which he would draw himself However his Panic Fables named after his early 60s avant garde theater movement in Paris were met with such insatiable popularity that he continued the series for six and a half years from June 1967 until December 1973 Appearing for the first time in English this book presents all 284 of Jodorowsky s Panic Fables in full color along with an introduction by the author He reveals how his first comics reflected his pessimism about the future and the meaning of life the negativity of which soon exhausted him He realized he needed to show the positivity that he encountered in life and thus little by little he began incorporating Zen teachings initiatory wisdom and sacred symbology into his Panic Fables Through this transformation and the outpouring of support from his devoted

readers many of whom cite the Panic Fables as providing pivotal guidance during their adolescence Jodo discovered that art can serve to heal as well as raise consciousness Writing himself into his comics Jodo can be glimpsed as the character of the disciple who talks with his master and as the series progresses gradually grows to assume the role of master providing psychomagic solutions to the problems of everyday life In reading the complete Panic Fables in chronological order much like his film *The Dance of Reality* we witness in colorful detail Jodorowsky's own path of spiritual growth [The New Dream](#)
