Sampson no one is too concerned But when a body is found washed up on an islet by young boaters the discovery fragments the residents into a tumult of distrust and suspicion And then the RCMP come calling Far from the structures created to monitor and regulate larger populations these people are resourceful tough and sometimes merciless If something needs to be cleaned up they clean it up They gossip embellish draw conclusions and take action Sometimes disaster results and sometimes a fitting outcome The glorious beauty of the Broughton Archipelago with Echo Bay at the heart of its inlets and islands provides the backdrop for these colourful characters who rub along but can take justice into their own hands when one of their own breaks the social contract
