**The Bhagavad- Pyhäkaavat** Pia Piironen,2023-06-02 The historical Bhagavad Pyh kaavat Bhagavad Gita is a collection of letters mostly written by Achaemenids vassals dating back to the pre Roman Iron Age of Northern Europe Letter writing begins in Greek Anatolia in 480 B C E and continues in North Europe Ancient Veda texts are astonishing historical first hand information about northern kingdoms established by the Achaemenid dynasty Previously it was not known that the Persian sphere of influence even extended to the territory of present day Finland Cyrus the Great was aptly titled King of the Four Corners of the Earth The Achaemenids were a common factor between Vedic India and Vedic North Europe Their power also extended to Caria and Ionia in Anatolia These people spoke and wrote in the Carian or Arian language the language that is called the Finnish Karelian dialect nowadays The Bhagavad Gita letters also provide valuable information about their ancient Baptist religion Many of its features were transferred to modern religions

**The Panarion of Epiphanius of Salamis** Epiphanius,1993-12 This volume completes the only modern translation of the whole of Epiphanius description and refutation of heresies It deals with the Trinity the Person of Christ monasticism and other vital fourth century concerns and is a participant s account of the period

**Nazorean** Kem Luther,2024-08-16 A swirl of Jewish sectarian movements muddied the religious waters during the late Second Temple period In recent decades scholars of the Bible have struggled to understand the role these sects played in the rise and spread of the Jesus movement Nazorean joins this wave of sectarian scholarship In this book Kem Luther sketches the history of a wisdom oriented sect that gave birth to the Christian church Weaving a series of what the philosopher and historian R G Collingwood called webs of imaginative construction he provides a provocative and plausible story about a wisdom sect the Nazoreans that shaped the career and teachings of John the Baptist and Jesus To support his scenario Luther offers sectarian readings of passages from the Gospels of Matthew and John the Epistle of James Acts the Wisdom of Solomon and the Psalms of Solomon He links his developing awareness of the sectarian context of these documents to his own trek through a landscape of post 1960 American religion The candid account of Luther s own journey through a naive modernism his immersion in evangelical subculture at a Bible school and his postgraduate studies in mysticism and philosophy makes a fascinating complement to his textual studies

**The Earliest View of New Testament Tongues** Maurice E. Vellacott,2024-11-11 This book is a groundbreaking paradigm shifting look at the languages tongues

problem gl ssai of the first century AD Corinthian church It adduces that in a multilingual setting new converts were expressing themselves in their native dialect without translation where Koine Greek was not yet overriding all regional dialects This cuts against the idea that tongues were supernatural earthly languages an idea not found before AD 160 Vellacott also argues against the view that tongues were heavenly languages as claimed by Pentecostals Charismatics This he says is a novel trend started about 145 years ago by German higher critical scholars and seized upon after the 1906 15 Los Angeles Azusa Street Revival s supposed supernatural earthly languages proved to be a mirage whereupon a redefinition to

heavenly angelic non earthly languages occurred This book soundly establishes the credibility of an ancient third view regarding tongues that they were non supernatural learned earthly languages The author endeavors to demonstrate that this is the earliest known Christian interpretation of New Testament tongues languages    **The Conqueror's Gift** Michael Maas,2025-02-25 An account of the central role that ethnography played in the Roman empire and its transformation in Late Antiquity Ethnography broadly understood is a key element in the toolkit of every empire as important as armies tax collectors or ambassadors It helps rulers articulate cultural differences with outsiders and sometimes bridge them and it lets the inhabitants of an empire especially those who guide its course understand themselves and their place in the midst of the enemies allies and friends who surround them Whenever provinces are drawn peace treaties and alliances framed diplomats sent on mission decisions taken to go to war or simply life lived in the midst of unfamiliar voices some kind of ethnographic vision must come into play This ethnographic infrastructure as ancient historian Michael Maas calls it supports the empire's view of itself regarding the nations of the world and it shapes and reflects actual interactions with them Ethnography is not simply a reflection of changes It also enables change by providing terms and concepts that give voice to the articulation of new circumstances In this book Maas argues that to understand how the Roman Empire transformed in the crucial period of Late Antiquity the empire's ethnographic underpinnings especially as they were affected by Christianity must be examined As Maas demonstrates Romans knew they lived in a world of great cultural diversity movement and instability They believed that their empire imposed order upon it Images of barbarians filled public spaces throughout the empire as reminders of Roman control Writers likewise filled their pages with descriptions of foreigners in a wide variety of genres These ethnographies according to Maas served three general functions First they described foreign peoples placing them in established and accessible systems of knowledge Second they judged them on a register of distance from Roman norms with most like us the best possible evaluation Third ethnography indicated explicitly or implicitly what the possibilities of participation within the imperial community might be In other words the gift of ethnography possessed for the conquerors a mechanism of imperial transformation    *The Panarion of Epiphanius of Salamis* Epiphanius of Salamis,2020-10-26 Bk 1 Sects 1-46 bk 2-3 Sects 47-80 De fide    **The Panarion of Epiphanius of Salamis** ,2009    **The Panarion of Epiphanius of Salamis** Epiphanius of Salamis,Saint Epiphanius,1987-12    The Eclipses of John's Book of Revelation
