Pdf Online Mongolia Culture Smart Essential Customs:

Mongolia - Culture Smart! Alan Sanders, 2016-01-26 Mongolia is landlocked between its neighbors China and Russia in the heart of Asia. For centuries after the disintegration of Genghis Khan's empire it was ruled by one or the other but in 1990 the Mongols embraced democracy. Now after two centuries of Manchu stagnation and seventy years of Soviet communism they are rebuilding their national heritage. Rarely in the news but making progress toward a market economy, this resource rich but infrastructure poor country is a land of pioneers and its greatest asset is the Mongol people who are friendly, cooperative, ambitious, and well educated. English is now the first foreign language and the country's leaders are forging new partnerships with international investors. Travelers from across the world are drawn to the land of blue sky by its picturesque mountains and lakes, flower carpeted steppes and stony deserts, home to the snow leopard, the wild horse, and camel, and the Gobi bear. The broad pasturelands with herds of grazing livestock and the traditional lifestyle of the nomads contrast with the busy streets of the capital Ulan Bator, a bustling metropolis of over one million people, modern hotels, apartments, and shops interspersed with Buddhist monasteries and temples surrounded by crowded suburbs of traditional felt tents. Mongolia's many attractions range from dinosaur skeletons and the remains of ancient civilizations to relics and reenactments of the Genghis Khan era and the traditional sports of wrestling, archery, and horse racing. **Culture Smart Mongolia** provides rare insights into contemporary Mongolian society and offers practical tips on what to expect and how to conduct yourself in order to get the most out of your visit. Despite the undeniable challenges posed by modernity, these warm, tough, adaptable, and hospitable people welcome visitors and are open to the world.

Backpacker, 2007-09 **Backpacker** brings the outdoors straight to the reader's doorstep, inspiring and enabling them to go more places and enjoy nature more often. The authority on active adventure, **Backpacker** is the world's first GPS-enabled magazine and the only magazine whose editors personally test the hiking trails, camping gear, and survival tips they publish. **Backpacker's** Editors' Choice Awards, an industry honor recognizing design, feature, and product innovation, has become the gold standard against which all other outdoor industry awards are measured.

Culture and Customs of Mongolia Timothy May, 2008-11-30 The Gobi Desert, cold mountainous regions, and harsh climate of Mongolia leave it with one of the lowest population densities in the world. Nonetheless, Mongolians are proud of their long heritage and carry even today their customs of the past. In this all-inclusive study of contemporary Mongolian life, readers will learn about nomadic lifestyles still practiced today. Other topics covered include Buddhism and other religions, literature, arts, cuisine, dress, family life, festivals, and leisure activities, social customs, and lifestyle. May also includes an overview of Chinggis Khan, the father of the Mongol Empire, and his legacy in Mongolian culture today. Ideal for high school and undergraduate students, this volume is an essential addition to library shelves.
