Reilly,Paul Reilly,2018-07-27 The global go to guide that started the Value Selling Revolution now updated for today s market

Value is about more than just price Good salespeople understand that and know what differentiates their products from that

of competitors In the first edition of Value Added Selling industry guru Tom Reilly tackled the most common problem that

salespeople faced overcoming customer concerns about pricing That book went on to become the global go to guide for value

added selling Since then the industry and the world has changed dramatically Developments in technology including price

comparison apps and search engines now provide consumers with more information than ever making it much harder to

value and sell your product Additionally millennials who now comprise the largest population in the workforce prefer to do

things differently than prior generations This updated fourth edition of Reilly s classic guide examines the latest trends and

technology that have impacted the market and provides expert advice on leveraging current technology to increase sales

Value Added Selling 4th Edition offers proven strategies and tactics to help you not only close more sales but improve repeat

business without compromising on price You ll learn how to anticipate the needs wants and concerns of buyers from the very

beginning of the sales process The book shows how to compete more profitably by selling value not price Proceedings, ...
