Massy's Game Jack Olsen,2020-06-17 Massy was big over 8 2 and still growing the biggest man in pro basketball No one thought it possible a man that big could move could run and jump and shoot and rebound But before his first year was out he became a legend as well as a threat to the game No one likes a giant no one roots for Goliath Cursed by irate fans elbowed and punched by competing players he is universally despised What drives him on What is in his past that drives him to continue dragging himself up and down the court when he would rather be playing the piano What about the father that won t stay off the bottle And the little girl with the flute As the season nears its ultimate close the fury and tension mount No one can stop the big man even though he doesn t have all the moves and shots No one and nothing Beating the backboards pounding slam dunks so hard the rim shakes pulling down rebounds a yard above the rim blocking shots from ten feet away He is a one man wrecking crew seemingly oblivious to the fact that the fans hate him the opposing team hates him and the officials hate him Massy obliterates the opposition almost single handedly But the more shots he blocks the greater the national hysteria The book surges on to a screaming apocalyptic ending as unexpected as it is inevitable If opposing players can t stop him there are other means available An original and fast breaking sports novel that makes a strong and provocative comment on our entire society
