Freedom All The Way** 作者: Santanu Mitra,2025-09-09 Even 12 000 years ago our ancestors were living in forests off hunting and gathering as livelihood options Now we are planning to settle on Mars How could this feat be achieved Santanu was always interested in this question In the search for an answer he has attempted to come up with a multi disciplinary unifying theory of evolution of human civilisation which says that our civilisation had been born and evolved due to the urge in hominin brains for individual freedom [Minnesota Law Review](#) ,2015 [The Girl I Was](#) 作者: Jeneva

Rose,2025-07-15 While packing a delightful punch of nostalgia The Girl I Was delivers one of the most satisfying character transformations I've read in a while Jeneva Rose's latest is witty and tender SHELBY VAN PELT New York Times bestselling author of Remarkably Bright Creatures From Jeneva Rose the New York Times bestselling author of The Perfect Marriage and Home is Where the Bodies Are comes a magical hilarious and heart warming story about learning to love every version of ourselves If at first you don't succeed try try again Alexis Spencer will use any inspirational quote to rationalize her failures and shortcomings Her closest friends are a distant memory and her college debt is still as high as the day she left But that's all fine and dandy because whatever will be will be However when Alexis loses her job and her relationship on the same day there's no quote strong enough to get her through that In typical fashion she blames the world for her problems including her younger self who should have tried harder Feeling sorry for herself Alexis finds a bottle of vodka from her college days and goes on a bender blacking out in the process Only this time she doesn't wake up at home or in the right city In fact she isn't even in the right year Alexis is back in her college town in the year 2002 Convinced this is her chance to do things over she heads to her dorm and comes face to face with her eighteen year old unruly self who goes by Lexi because it's sexier Getting acclimated to life in the early 2000s is the easy part Dealing with Lexi is where things prove difficult They might be the same person but they couldn't be more different from one another Now Alexis and Lexi must learn to get along and come to terms with the fact that alone they will never make things right but together they could change their life for the better
