Book Asean Charter Commentary Walter Woon:

The ASEAN Charter Walter Woon, 2015-09-22 Forty years after the Bangkok Declaration which established the Association of Southeast Asian Nations ASEAN a new document was drafted as a result of bold and visionary recommendations of an ASEAN Committee of Eminent Persons The ASEAN Charter which came into force in 2008 provides ASEAN's legal status and institutional framework In effect it is a legally binding agreement among the 10 ASEAN Member States In many respects however the Charter is more important as an aspirational document Written by one of the persons involved in the negotiations leading to the adoption of the Charter this meticulously researched publication helps readers navigate the ambiguities of the Charter by detailing an insider's background provision by provision of the debates that went into the making of the ASEAN Charter It not only explains how the provisions of the Charter came to be drafted but also how they relate to the realities of diplomatic practice This volume will be an indispensable reference for scholars working diplomats and businesses and institutions that have a stake in ASEAN The ASEAN Charter is a commitment for us to become a rules based community It is time for us especially the weaker countries among us to be ruled by law rather than by political whim national interest or military power Walter Woon's work will be a major contribution to that end Rodolfo C Severino former Secretary General of ASEAN 1998-2002 Prof Walter Woon and I represented Singapore in the High Level Task Force which drafted the ASEAN Charter he is the ideal author for such a commentary on the Charter This should be read by everyone interested in ASEAN Tommy Koh Ambassador at Large Ministry of Foreign Affairs Singapore

The ASEAN Miracle Kishore Mahbubani, Jeffery Sng, 2017-03-08 The Association of Southeast Asian Nations is a miracle Why In an era of growing cultural pessimism many thoughtful individuals believe that different civilizations especially Islam and the West cannot live together in peace The ten countries of ASEAN provide a thriving counter example of civilizational co existence Here 625m people live together in peace This miracle was delivered by ASEAN In an era of growing economic pessimism where many young people believe that their lives will get worse in coming decades Southeast Asia bubbles with optimism In an era where many thinkers predict rising geopolitical competition and tension ASEAN regularly brings together all the world's great powers Stories of peace are told less frequently than stories of conflict and war ASEAN's imperfections make better headlines than its achievements But in the hands of Kishore Mahbubani and Jeffery Sng the good news story is also a provocation and a challenge to the rest of the world
