Price,2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven t bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one s religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one s faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown s notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls Bestsellers: Popular Fiction Since 1900 Clive Bloom,2022-01-03 This book charts the publishing industry and bestselling fiction from 1900 featuring a comprehensive list of all bestselling fiction titles in the UK This third edition includes a new introduction which features additional information on current trends in reading including the rise of Black Asian and LGBTQIA publishing the continuing importance of certain genres and up to date trends in publishing bookselling library borrowing and literacy There are sections on writing for children on the importance of audiobooks and book clubs self published bestsellers as well as many new entries to the present day including bestselling authors such as David Walliams Peter James George R R Martin and far less well known authors whose books s sell in their thousands This is the essential guide to best selling books authors genres publishing and bookselling since 1900 providing a unique insight into more than a century of entertainment and opening a window into the reading habits and social life of the British from the death of Queen Victoria to the Coronavirus Pandemic **Grave Secrets** Kathy Reichs,2012-03-06 The gripping Temperance Brennan novel from world class forensic

anthropologist Kathy Reichs the international 1 bestselling crime thriller writer and the inspiration behind the hit TV series *Bones* In the searing heat of Guatemala Dr Tempe Brennan must harden herself against the horrors she excavates And then four young girls go missing from Guatemala City When a skeleton is found at the back of a rundown hotel only someone with Tempe s expertise can deduce the identity and cause of death But as she searches for answers her path is blocked at every turn It is clear that some people will stop at nothing to keep Guatemala s secrets buried \_\_\_\_\_
