Amanda Grange,2012-08-07 In this imaginative retelling of Pride and Prejudice Amanda Grange now tells the classic story

through the eyes of its compelling romantic hero Fitzwilliam Darcy in a series of revealing letters that casts a sparkling new reflection on the manners and morals of the landed gentry in 19th century England Here for the first time are the letters written by the exceedingly proud and stubborn Mr Darcy covering the life changing events that defined him from the death of his father to his control of his Derbyshire estate of Pemberley to his conflicted courtship with the lively intelligent and delightfully willful Elizabeth Bennet Try as he may he cannot deny his attraction to this woman with fine eyes a playful spirit a mind of her own and an embarrassing family that is frankly and utterly beneath him But it is Elizabeth who controls both their destinies and whose surprises will change Darcy s life yet again *In the Arms of Mr. Darcy* Sharon Lathan,2010 This lushly romantic and historically fascinating story is filled with lavish details of Regency customs and social events including Elizabeth s presentation to the Prince Regent Georgiana s debut at the exclusive Almack s Assembly and the Darcys travels through the dramatic Peak District of Derbyshire Romance finds nearly everyone as confirmed bachelor Richard Fitzwilliam sets his sights on the seemingly unattainable Lady Fotherby Georgiana Darcy learns to flirt the very serious Kitty Bennet develops her first crush and Caroline Bingley meets her match Through it all Elizabeth and Darcy are kept busy helping friends and family navigate true love s inevitably rocky course *Darcy & Desire* Cady West,2021-05-14 My Dearest Darcy What do you do after Happily Ever After Lizzy and Darcy are married They re ecstatically happy newlyweds But a journey to London separates them Whatever will they do Write letters of course In this sequel to Jane Austen s masterpiece read the witty passionate correspondence between her most beloved pair as they survive separation sisters and surprise guests The giddy newlyweds keep the flame alight the old fashioned way All while reminding each other and us just what a perfectly matched couple they are Clever and charming snarky and steamy meticulously researched with welcome appearances from real world historical figures Can t wait for Volume II Heather Albano Keeping Time trilogy Novel length steamy Regency romance Some four letter words used impeccably of course My dearest Darcy I have ruined fully eighteen of these beautiful creamy linen sheets to get even this far You will laugh at me I know but I am in this my mother s daughter and such prodigal waste of paper offends my sense of thrift and of propriety And for what Because I wish to write you but do not know how to call you Dearest Husband Too formal Dear Fitzwilliam Too familiar Beloved lover Far too familiar though very true and I am still close enough to what little maidenly modesty I ever possessed not to wish you to open this letter in public upon such a greeting And I do warn you that I cannot promise that pages to come will not venture into territory that might destroy both your modesty and what little remains of mine and so I hope that you will save the rest of this letter for perusal in some private place you may take that for a promise or for a threat as you will My own Billy Well I think I can imagine the mask of mortification that that salutation would provoke I will keep that one for special private moments I think when you have become too much the forbidding proud Mr Darcy of old and I simply wish to laugh at you And so My dearest Darcy it is not only because it strikes me as particularly euphonious but because it is true in whole and in parts I love your sister my new

sister dearly but I can say without any compunction that you are indeed the dearest Darcy to me dearer even than myself You are Darcy first and foremost I can scarcely think of you by any other name even though it is now my own It is the name by which I first knew you by which I truly came to know you and by which I have come to love you with all of my foolish conceited heart Too you are mine Pride is a sin as we both know to our misfortune but I think that this is one of the things of which I am proudest that you virtuous accomplished intelligent upright occasionally to a fault belong to me And that I vain silly homely and venal belong to you soul mind and body Of your possession of my soul you must trust Of my mind you have this evidence that you have been gone from our bed and from our home for but four hours and I have had scarcely a thought but of you Here good my lord is the point at which I must ask you to remember that I warned you to read this in a private place If you failed to heed my warning on your head be it As for my body sir you have ample evidence of your possession of that it has been yours to do with as it has pleased you for these past weeks and oh Darcy I hope it has pleased you to take ownership so completely It has pleased me and pleased me again to the point where now having felt you within me and against me only this morning my body weeps at your absence desiring only to be taken and to take again
