[The New Learning Economy](#) Martin Betts,Michael Rosemann,2022-11-30

With a focus on action this book offers inspiration and pragmatic guidelines to higher education leaders and organisations that want to meet the demands of the changing landscape of knowledge experience and learning Offering a practical toolkit and methodology this book describes the fast changing higher education sector as a new learning economy It explains how this new economy evolved and three major problems that make the current higher education model unfit for purpose

Through six case studies from other contexts the book presents key lessons for the higher education sector and six strategic principles for growth in this changing environment The book includes a strategic planning methodology which guides the reader on how to make an assessment of their own institution and identify a strategy for how adaptation and change can realistically be achieved This book is a must read for all higher education professionals looking to drive their institution towards an innovative and sustainable future *The Hubris Hazard, and How to Avoid It* Eugene Sadler-Smith,2024-03-15

Hubris is something we've all seen in action and experienced all too often It's a significant occupational hazard and a serious potential derailment factor for leaders organisations and civil society Hubristic leaders intoxicated as they are with power praise and success behave in ways that if left unchecked invite unintended and unforeseen negative consequences which impact destructively on individuals industries economies and nations Despite numerous examples throughout history of hubris destructive consequences it nonetheless appears to be an ever present and growing danger Many leaders seem to be blind to the hazards of hubris and oblivious to the lessons of history Prevention is better than cure and understanding the nature of the hubris hazard and the associated risk factors will help leaders and managers improve their personal performance and avoid derailment and even more importantly protect the well being of employees and the resilience of their organisations over the long term This book explains the characteristics causes and consequences of hubris and shows how to combat the significant hazard it poses to managers leaders organisations and society With contemporary examples each chapter explores a particular hubris risk factor and shows how the risk can be managed and mitigated and exposure to the hubris hazard minimised *The Hubris Hazard and How to Avoid It* offers practical guidance and action points for managers and leaders on how to recognise hubris in themselves and others and what to do to combat it when it arises It will also be useful for business and executive coaches and leadership trainers and developers *Teaching Public Administration with Pop Culture* Erin L. Borry,Peter A. Jones,2024-12-27

This book offers faculty teaching in public administration and public affairs programs a playbook for using popular culture as a pedagogical tool in the classroom Authors Erin L Borry and Peter A Jones build a pedagogical framework detailing the richness and range of media through which pop culture can be accessed and demonstrate how best to integrate different forms of pop culture to achieve various learning goals The breadth of content available and practical applicability to the public administration degree offer many opportunities to incorporate pop culture into the curriculum including introductory courses in public administration and public service as well as more advanced budgeting statistics ethics social equity and open government courses to name a few This book offers some examples of pop culture that instructors can readily adapt for use in their own courses as well as sample assignments and various types of group work including simulations *Teaching Public Administration with Pop Culture* will be of enormous benefit to instructors of public affairs undergraduate and graduate students as well as to those teaching in the areas of political science civics social studies and government in higher and K 12 education settings [The United States Patents](#)
