**2024 Holiday Customer Service Blueprint** Jelisaveta Sapardić, 2024-08-20 Did you know that customer service requests can increase by 65% during Black Friday and Cyber Monday compared to a typical day? This staggering surge can overwhelm even the most prepared customer support teams as they struggle to manage a flood of repetitive questions, keep response times low, and maintain high levels of customer satisfaction all at the same time. However, this surge also presents a critical opportunity to boost revenue and acquire new customers. With over 87% of consumers shopping during Black Friday and 61 million people globally purchasing from Shopify-powered brands<sup>16</sup>, Drawing from our experience supporting over 300 000 businesses worldwide, we understand the importance of a seamless customer experience, especially for ecommerce companies and SMBs. We've developed strategies that help businesses overcome customer service challenges during peak shopping times. In this ebook, we'll share practical tips and insights from industry experts to help you manage customer demands during these critical periods. Learn how to navigate and thrive during the busiest seasons with our proven advice.

**Complete Guide to Security and Privacy Metrics** Debra S. Herrmann, 2007-01-22 This book defines more than 900 metrics measuring compliance with current legislation, resiliency of security controls, and return on investment. It explains what needs to be measured, why and how to measure it, and how to tie security and privacy metrics to business goals and objectives. The metrics are scaled by information sensitivity, asset criticality, and risk, aligned to correspond with different lateral and hierarchical functions designed with flexible measurement boundaries and can be implemented individually or in combination. The text includes numerous examples and sample reports and stresses a complete assessment by evaluating physical personnel, IT and operational security controls.
