 Airasian,2001 Airasian presents complex concepts clearly so that pre service teachers can understand them and solidly  
 grounds these concepts in best practice through practical real well integrated examples He talks to not at users The text  
 conceives of classroom assessment in a broader way than many other texts It focuses not only on the assessment needs of  
 testing grading interpreting standardized tests and performance assessments but also on assessment concerns in organizing  
 a classroom at the start of school planning and implementing instruction and strategies of teacher self reflection It views  
 classroom assessment as an everyday ongoing integral part of teaching not something that is separated from life in  
 classrooms The text is organized in a manner that follows the natural progression of teacher decision making from organizing  
 the class as a learning community to planning and conducting instruction to the formal evaluation of learning and finally to  
 grading
