EBK: Services Marketing: Integrating Customer Service Across the Firm 4e Alan Wilson, Valarie Zeithaml, Mary Jo Bitner, Dwayne Gremler, 2020-10-07 Successful businesses recognize that the development of strong customer relationships through quality service and services as well as implementing service strategies for competitive advantage are key to their success. In its fourth European edition, *Services Marketing: Integrating Customer Focus across the Firm* provides full coverage of the foundations of services marketing, placing the distinctive Gaps model at the center of this approach. The new edition draws on the most recent research and using up to date and topical examples, the book focuses on the development of customer relationships through service, outlining the core concepts and theories in services marketing today. New and updated material in this new edition includes New content related to human resource strategies including coverage of the role of robots and chatbots for delivering customer focused services. New coverage on listening to customers through research, big data, netnography and monitoring user generated content. Increased technology, social media and digital coverage throughout the text including the delivery of services using mobile and digital platforms as well as through the Internet of Things. Brand new examples and case studies added from global and innovative companies including Turkish Airlines, Volvo, EasyJet and McDonalds. Available with McGraw Hill's Connect, the well established online learning platform which features our award winning adaptive reading experience as well as resources to help faculty and institutions improve student outcomes and course delivery efficiency.

How Airports Measure Customer Service Performance Lois S. Kramer, Aaron Bothner, Max Spiro, 2013 TRB's Airport Cooperative Research Program ACRP Synthesis 48 *How Airports Measure Customer Service Performance* examines the strategic importance of customer service and how airports are measuring the quality of customer service. Publisher's description

[Customer Service Training](#) Kimberly Devlin, 2015-08-17 Effective customer service training covers more than niceties. Organizational profitability is threatened when staff are unable to manage customer needs. Yet it takes more than soft skills training to turn these situations around. A great customer service training covers essential behaviors, service strategies and service systems that together ensure an exceptional customer experience. Training authority Kimberly Devlin presents two day, one day and half day workshops that support trainees in any industry and environment, not just the call center. Each workshop introduces techniques for managing challenging customers and situations and also offers opportunities to apply new skills to service interactions. Free tools and customization options. The free, ready to use workshop materials PDF that accompany this book include downloadable presentation materials, agendas, handouts, assessments and tools. All workshop program materials including MS Office PowerPoint presentations and MS Word handouts may be customized for an additional licensing fee.
