prayers don't seem to change anything or allow you to hear God's voice. In this video-based Bible study workshop DVD, digital video sold separately, Anne Graham Lotz presents a biblical approach to prayer that will help you learn to listen for God's voice, know Him in a personal relationship, and communicate with Him through His Word. By taking a close look at the life of Daniel, Anne unpacks the prayer he prayed in Daniel 9. Following the pattern of Daniel's original prayer as a model for how we speak to our Creator, she helps us develop a more meaningful and powerful prayer life. For an entire generation, Daniel's people had been held in captivity and separated from their homeland. But when Daniel read a prophecy in which God said He would restore His people to Jerusalem after seventy years, he claimed that promise and cried out for the Lord to bring it to pass. Daniel's example of praying God's Word back to Him is what Anne calls reversed thunder. In this six-session study, Anne explains how we can reverse the thunder until Heaven is moved and we see real change in our own lives and the lives of those we're praying for. This guide includes weekly Bible study readings, video teaching notes, group discussion questions, group activities, and space for writing your own prayers. Ideal for use in small groups and Sunday school classes, and includes a simplified Bible study track for more limited meeting time, such as a workplace lunchtime setting. Sessions include: Preparing for Prayer, Prompting in Prayer, Pleading in Prayer, Prevailing in Prayer, The Battle in Prayer. This study guide is designed for use with *The Daniel Prayer Video Study*, sold separately. A Facilitator's Guide and additional resources are included on the DVD only.

A Brief Survey of the Bible Study Guide, Zondervan, 2015-12-01. The Bible is the inspired Word of God, and over the centuries it has changed people's lives and led them to God. Yet sometimes it can be a difficult book to understand. The culture in which the Bible was written is so different from our own that at times we struggle to understand what it means or how it is relevant to our modern lives. In this 14-session video Bible study DVD, digital sold separately, Bible professors John Walton and Mark Strauss give you the background you need to successfully understand even the difficult parts of the Word of God. They provide an overview of the Bible's key themes, show what the teachings meant to the people at the time, and explain how those teachings apply to your life today. By the end, you will have a greater understanding of Scripture, know how all the books work together, and understand what God has done to make a way for you to come to Him. This study guide includes group discussion questions and notes to help you get the most out of the fourteen video sessions in *A Brief Study of the Bible Video Study*. An overview of each book of the Bible and a daily reading plan. Between sessions, Scripture passages, reading tips, and key stories to help you dig into the content.
