**Draft Day** Doug MacLean, Scott Morrison, 2024-10-15 Doug MacLean former NHL coach general manager team president and one of the game's biggest personalities reveals how teams build for greatness or fail to on hockey's most anticipated day A Moneyball for hockey The NHL draft is a critical time for teams when the foundation for future championships is laid or when championship dreams die Only time will tell if a draft is successful but a failed draft can severely set teams back for seasons much to the dread of ownership management and most importantly the fans For even the most die hard hockey fan the preparation for draft day is a black box Former president general manager and coach Doug MacLean takes readers behind the scenes from the 2022 draft in Montreal to revealing draft stories from the past to show how players are discovered and evaluated to create successful teams Just as Moneyball illustrated the value of analytics in building teams in baseball and beyond Draft Day shows the careful considerations that go into assessing talent for success What is that balance in today's game between metrics and instinct between analytics and traditional scouting MacLean draws from his own career as well as anecdotes from across the league to illustrate the hard won lessons and principles that lead to building successful teams Hockey is big business and this book is an invaluable resource for any leader seeking an edge for building resilient organizations Entertaining and informative with never before told details from some of the biggest moments in NHL history Draft Day is for every hockey fan who wonders how their team develops that hard to define winning chemistry or fails to year after year

**Hockey Fight in Canada** David Shoalts, 2018-09-29 In late 2013 Canadians were intrigued to learn the NHL chose Rogers as its exclusive national broadcaster over both CBC and Rogers's bitter rival Bell Canada The decision was met with equal parts fascination shock and anger When CBC rank and file employees came to believe their leaders missed a chance to hold on to at least a part of Hockey Night in Canada a move that could have saved some of their jobs their disappointment turned to outrage This is also a story of great irony as the win proved to be costly for the victor in the first years When Rogers sealed the \$5.2 billion twelve year deal it looked like the audacious play might just pay off The Toronto Maple Leafs with the biggest fan base in the country appeared ready to shake off years of mediocrity and become playoff contenders drawing legions of fans to Rogers's broadcasts in the process In anticipation Rogers gave Hockey

Night in Canada a facelift bringing in hip George Stroumboulopoulos to replace veteran host Ron MacLean However in January 2014 the Maple Leafs crashed hard and so did the ratings for Hockey Night in Canada It was crushing news for Rogers with cable cutting already shaping into an existential threat On top of everything Strombo bombed as host and the network had to bring MacLean back Then things got even worse by the middle of the 2015 16 season the rest of the seven Canadian NHL teams missed the playoffs and ratings fell further chasing away even more advertising dollars Simultaneously viewing habits were changing so quickly no one could predict what would happen next year let alone in the next decade Shoalts covers this story from the beginning and Hockey Fight in Canada details every fascinating play in this intersection of sports and business
