Nut Brown Eyes Raymond Walker:

Nut Brown Eyes Raymond Walker, 2015-12-09 A wondrous tale of the dark woods of Scotland A holiday trip gone wrong a perfect holiday ripped apart by nature A young girl left alone in the depths of the forest is found by a Hiker that cares He resolves to look after her and to get her to the Hospital that she needs to attend He will do anything to get her there and see that she is alright They are a long way from salvation and the medicine that home promises They are in the dark woods of Northern Argyll where only woodsmen nature buffs and walkers exist There are no roads no cars few tractors other than those working the land There is only Rob the man that loves walking in the forests and the poor girl that he has found wrapped in the brambles of an abandoned building Hurt Abused perhaps raped Rob makes it his mission to save her but they are out in the wilds of Scotland They are a long way from help a long way from salvation Rob is going to save her Rob is going to save her no matter what it takes **Nut Brown Eyes** Raymond Walker, **Kilmartin** Raymond

Walker, 2014-11-05 Finally A full compendium of my Kilmartin tales all consigned to the same volume It is unlikely that I shall write of the place again Not because I do not wish to nor because I feel that people are bored with those tales but rather just because I am growing older and have so much more to write about I suspect I will get through only a fraction of the ideas that I have before I pop my clogs and so here you have all The three Kilmartin novels all together in one volume I also have added A long introduction to the stories for those that are interested and a new horror story as an introduction to them to tell fictionally how I came to Kilmartin in the first place Actually the rather long and rather dull Introduction tells the same tale with truth Nestled in a quiet Glen on the west coast of Scotland lies the ancient village of Kilmartin **The Miscast Fate**

Raymond Walker, 2014-08-15 It was always Todd's fate to be ridiculed after all he had never amounted to much a failed scientist who was thought to be a flake by his peers All because he had some strange ideas and was not afraid to share them An astrophysicist that was interested in astronomy was one thing but one interested in astrology was something very different indeed Todd has fallen desperately in love with the equally smart and rather exotic Jasmine who lives a world away and would do anything to be with her even if it means changing the nature of science This romantic drama from the pen of Raymond Walker the acclaimed author of *The Secret Inside* and *Twisted Sisters* brings together a beautiful and fascinating love story intertwined With a fast moving science drama Todd races to save the love of his life from her fate and he will see it done even if he has to change the universe to achieve it After all how can you change what is written in the stars **A Pale Shadow Creeps** Raymond Walker, 2012-04-27 Into The dark depths of a Scots winter A Pale Shadow Creeps From Its tomb of stones and broken bones It rises into the cold and forsaken night This shade has a dire purpose For it to live again its place must be taken beneath The Cairn from which it rose Whosoever wakened it or one of their choice shall take its place beneath the wet sod of the Argyll hills Rob is too busy enjoying his new home He worries about the novel that he needs to write the money he needs to earn and the new love that he has found Threats from shades shadows or wraiths are not something he

takes seriously But he should A very current ghost story with a rather dark and dramatic feel A romance that will leave you spellbound whilst night falls and shadows haunt ancient Scotland Its standing stones cairns and sepulchres Rob thinks about love and life and money and never worries about the scratching at the door the howling in the night and the very strange dreams he has been having But he should
