The Secret Files: Bill DeBlasio, The NYPD, and the Broken Promises of Police Reform Michael Hayes, 2023-02-21 An unprecedented breakdown of the NYPD s powerful network of police unions pro police lawyers and top brass who work relentlessly to shield police officers from any real accountability For readers of long form hard hitting journalistic expos s like We Own This City a compelling look at how we do and don t hold police responsible in America by an award winning progressive reporter covering the NYPD police beat In 2018 reporter Michael Hayes uncovered a major story about how the NYPD was not only turning a blind eye to police misconduct but also allowing hundreds of officers with severe misconduct charges to remain on the force In the aftermath of that story then Mayor Bill de Blasio attempted to reform the department only to abandon his plans While de Blasio may have

suffered a political setback it s New Yorkers who are the true victims of this failure to deliver accountability and transparency The state has a law that specifically prevents the public from learning about concealed police records New Yorkers are increasingly distrustful of the police after witnessing their loved ones being targeted brutalized and murdered with near impunity Hayes takes readers inside decades of police corruption and controversial laws chronicling the stories of the families and activists who have had enough He makes a compelling case for the limits of reform in the aftermath of the major Black Lives Matter rallies following the murder of George Floyd and growing calls to defund the police Fight the Power Clarence Taylor,2018-12-20 A story of resistance power and politics as revealed through New York City s complex history of police brutality The 2014 killing of Michael Brown in Ferguson Missouri was the catalyst for a national conversation about race policing and injustice The subsequent killings of other black often unarmed citizens led to a surge of media coverage which in turn led to protests and clashes between the police and local residents that were reminiscent of the unrest of the 1960s Fight the Power examines the explosive history of police brutality in New York City and the black community s long struggle to resist it Taylor brings this story to life by exploring the institutions and the people that waged campaigns to end the mistreatment of people of color at the hands of the police including the black church the black press black communists and civil rights activists Ranging from the 1940s to the mayoralty of Bill de Blasio Taylor describes the significant strides made in curbing police power in New York City describing the grassroots street campaigns as well as the accomplishments achieved in the political arena and in the city s courtrooms Taylor challenges the belief that police reform is born out of improved relations between communities and the authorities arguing that the only real solution is radically reducing the police domination of New York s black citizens **Ohio State Journal of Criminal Law** ,2016 **Law Enforcement in the Age of Black Lives Matter** Dwayne A. Mack,Sandra E. Weissinger,2017-12-29 There is a reason why people claim great respect for officers of the law the job by description is hard if not deadly It takes a certain kind of person to accept the consequences of the job seeing the very worst situations on a regular basis and knowing that one s life is on the line every hour of every day Working in law enforcement is emotionally and psychologically draining It affects these public servants both on and off the job Said plainly shaking an officers hand when you see them or posting a sign in the front yard that reads Support the Badge is lip service Even going as far as to donate money to a crowdsourcing fundraising site does little to support the long term professional development needs of officers These are surface level signs of solidarity and do little in terms of showing respect for the job and those who do it For those who want to do more this text provides reasons and a rationale for doing better by these public servants Showing respect does not mean that one agrees with whatever another person or institution claims to be the right way Showing respect and admiration means that we charge individuals to live up to their fullest potentials and integrate innovation wherever possible In the case of policing in the era of Black Lives Matters policing as usual simply is not an option any longer It is disrespectful to both the officers and those who are being

policed to rest on the laurels of past policing tactics As we enter a time period in which police interactions are recorded dash cams or body cams for example and new populations are being targeted Latinx people there is much to learn about what is working and what is not

sinister twist when an anonymous third party makes threats if authorities don't release Merritt immediately. Forced from his home and his bank accounts drained, Fisk confronts Chay Maryland, a reporter who has been covering Merritt's case. Fisk wants the journalist's help to get close to the leaker to find out what Merritt really wants and who else is involved. The investigation is nearly derailed when a serial sniper begins shooting people on the street who seem to have no connection to Merritt's case. The killer's aim is eerily accurate and Fisk believes the shooter might be using a drone rigged with unusual sighting capabilities. Then the sniper contacts the New York Times and promises to kill one person every day for the greater good of the citizens of America. With the clock ticking and millions of lives at stake, Fisk and Chay must find the mastermind before he can wreak havoc on a city paralyzed by fear. *Canadian Books in Print*, 1990 **Forthcoming Books** Rose Army, 2000 *Book Review Index* Dana Ferguson, 2001 *The Endless City* London School of Economics and Political Science, 2010-12-06 The Urban Age Project by the London School of Economics and Deutsche Bank's Alfred Herrhausen Society *NYPD Patrol Guide Quizzer* Cliff Mariani, Looseleaf Law Publications, Incorporated, 2009-01-01 Completely revised and expanded.
