**Object Lessons for a Year (Object Lesson Series)** David J. Claassen, 1987-01-01 This indispensable easy to use tool for Sunday school teachers and pastors offers a year's worth of attention grabbing object lessons. Guaranteed to spice up any story time or lesson. *Everyday Object Lessons for Youth Groups* Helen Musick, Duffy Robbins, 2011-04-19 You may not like it that students forgot your talk on temptation but remembered your mouse trap object lesson but the fact remains that nothing brings a lesson to life more vividly and concretely or wakes up a drowsy Sunday school class faster than a good object lesson. In *Everyday Object Lessons for Youth Groups* the authors who are youth workers and teachers of youth workers pool their most effective 45 object lessons into a collection that's perfect for both junior and senior high youth groups. Here are no prep and low prep object lessons for devotionals, Sunday school lessons, talks at camps and retreats even for sermons. Inside you'll find object lessons about Beauty using a kiwi fruit, Regret using a mirror, Divine protection using sun block, Anger using Alka Seltzer and 7 Up, The power of words using Popsicle sticks, Priorities using manure, Confession using hydrogen peroxide, Temptation using a mousetrap, The person of Jesus using keys, Conformity using Play Doh, Endurance using bricks and 34 more quirky and attention getting object lessons. Use them to open your lessons, to dramatize your talks, to close your Bible studies with a demonstration. However you use them you have Bible references and provocative discussion starting questions with each object lesson to help you take it in any direction you want. And with both a topical and a scriptural index you can find the perfect object lesson fast.

**Object Lessons** Charles C. Ryrie, 1991-11-09 What good is a broken fingernail? What can you do with a frying pan, a hammer and an egg? How is a balloon different from a brick? The world around us is full of items useful for interesting and meaningful object lessons. Dr. Ryrie uses pencils, light bulbs, sunglasses and even the air around us to illustrate truths about salvation and the Christian life. All 100 objects are simple and easy to find and the lessons can be used for any group of any age. Children and adults alike will enjoy learning more when you present these fascinating illustrations.
