Pathological and Surgical Observations on the Diseases of the Joints (Classic Reprint) Benjamin C. Brodie,2018-09-24 Excerpt from Pathological and Surgical Observations on the Diseases of the Joints The joints like the other animal organs are not of a simple and uniform but of a various and complicated structure Although in their advanced stages the diseases to which they are liable extend to all the dissimilar parts of which they are composed it is to be presumed that such is not the case in the beginning We cannot doubt that here as elsewhere the morbid actions commence sometimes in one and sometimes in another texture and that they differ in their nature and are variously modified and of course require to be differently treated according to the mechanical organisation and the vital properties of the part in which they originate About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
