Portuguese Decolonization in the Indian Ocean World Pamila Gupta,2018-10-18 Pamila Gupta takes a unique approach to examining decolonization processes across Lusophone India and Southern Africa focusing on Goa Mozambique Angola and South Africa weaving together case studies using five interconnected themes Gupta considers decolonization through the twined lenses of history and ethnography accessed through written oral visual and eyewitness accounts of how people experienced the transfer of state power She looks at the materiality of decolonization as a movement of peoples across vast oceanic spaces demonstrating how it was a process of dispossession for both the Portuguese formerly in power and ordinary colonial citizens and subjects She then discusses the production of race and class anxieties during decolonization which took on a variety of forms but were often articulated through material objects The book aims to move beyond linear histories of colonial independence by connecting its various regions using the theme of decolonization offering a productive and new approach to writing post national histories and ethnographies Finally Gupta demonstrates the value of using different source materials to access narratives of decolonization analyzing the work of Mozambican photographer Ricardo Rangel and including lyrical prose and ethnographical observations Portuguese Decolonization in the Indian Ocean World provides a nuanced understanding of Lusophone decolonization revealing the perspectives of people who experienced it This book will be highly valuable for historians of the Indian Ocean world and decolonization but also those interested in ethnography diaspora studies and material culture **American Wicker** Jeremy Elwell Adamson,1993 Plain or fancy natural or painted American wicker represents a significant and distinctive achievement in the international arena of the

decorative arts The fascinating history of American woven furnishings from the mid nineteenth century to the Great Depression is offered in this volume published on the occasion of an exhibition organized by the Renwick Gallery of the National Museum of American Art Smithsonian Institution Washington D C Although basketweave furniture is as old as history itself and indigenous to many parts of the world in the United States it blossomed into an astoundingly rich and meaningful art form The story of American wicker is like the saga of America for the design manufacture use and symbolism of woven furniture directly reflect the nation's changing social cultural and aesthetic values during its most transformative era In 1620 the first Pilgrim born on North American shores was rocked aboard the Mayflower in a willow cradle but the real birth and flowering of the American wicker industry occurred during the nineteenth century when the freewheeling entrepreneurial spirit of the times brought forth important technological innovations and set the scene for the intense commercial rivalry of two principal manufacturers the Massachusetts based Wakefield Rattan Company and Heywood Brothers and Company who singularly and in merger dominated the industry well into the early decades of the twentieth century BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved **Home** ,1996
