Copyright Office, 1960 **Catalog of Copyright Entries, Third Series** ,1954 Handbook of the Taxonomic Names Associated with the Non-marine Rhodophycophyta Franklyn Dewayne Ott, 2009 This voluminous publication aims to satisfy a great need of those phycologists who do research on the fresh water Rhodophycophyta for a compendium which provides quick and easy access to the scientific names associated with this group of little known plants While relatively small numerically the Rhodophycophyta may be in themselves of little significance it may be of interest to the reader to note that there are approximately 4000 known species of the Rhodophycophyta and that these are distributed into some 600 genera The vast majority by far are inhabitants of the marine environment Of this number however about 62 genera with an estimated 600 species are found in non marine habitats It is on this small group of genera that this contribution is focused The author intends to accomplish at least five desirable goals The first of these is a simple alphabetical listing the _quick list_ of the taxonomic of Rhodophycophyta to accommodate the taxa that will give to the user a bird _s eye view of what may be available herein The second goal is an alphabetical listing to the complete nomenclatural and taxonomic citations of the included taxa which includes taxonomic name author date of publication journal or book reference A third goal is to provide a comprehensive

bibliography for each of the numerous papers cited in the nomenclatural and taxonomic index The fourth major objective was to provide to the user an alphabetical index to taxonomic names enabling the reader to trace the fate of a given epithet mostly species varietas and formae through their tortuous journey for some which they may have undergone since their initial publication The fifth and last objective is to review the 62 currently recognized genera of this freshwater group pp 351 914 to help place these into their respective contemporary status *Patterson's Source Guide for Educational Materials and Equipment* ,1968
