**The California Golden Seals** Steve Currier, 2020-10-01 Hockey has had its share of bizarre tales over the years but none compare to the fascinating story of the California Golden Seals a team that remains the benchmark for how not to run a sports franchise From 1967 to 1978 a revolving door of players apathetic owners and ridiculous marketing decisions turned the Seals originally based in

Oakland into hockey's traveling circus. The team lost tons of money and games, cheated death more often than Evel Knievel, and left behind a long trail of broken dreams. Live seals were used as mascots; players wore skates that were painted white on an almost daily basis, and draft picks were dealt away nonchalantly like cards at a poker game. The California Golden Seals examines the franchise's mismanaged but always interesting history from its ballyhooed beginnings as a minor league champion in the 1960s to its steep slide into oblivion in the late 1970s after moving to Cleveland. Through a season-by-season narrative, Currier brings to life the Seals' history with lighthearted anecdotes, personal interviews, and statistics about hockey's most infamous losing team.
