Nursing Learnerships:

The National Skills Development Handbook 2007/8 ,200? **The Nurse Educator in Practice** Salomé M. Meyer,Susan E. Van Niekerk,2008 There is a great need for qualified nurse educators in South Africa to enhance the quality of the development of student nurses and therefore to enhance the quality of nursing care This book applies didactics in theoretical as well as clinical nursing education using examples to illustrate the text Apprenticeship in a Globalised World Salim Akoojee,2013 In April 2013 the International Network on Innovative Apprenticeship INAP hosted its fifth international conference in Johannesburg South Africa in co operation with the International Labor Organization ILO bringing together researchers policy makers and practitioners from 34 nations The title of the conference Apprenticeship in a Globalized World Premises Promises and Pitfalls points out the need for apprenticeship to deliver on its promise of workplace skills and for it to develop and change as world economies develop An international exchange of ideas among researchers from all over the world is necessary to identify cases of good practice and facilitate the transfer of knowledge and innovation also within the frame of informal apprenticeships This book a summary of the papers presented and discussed at the Johannesburg conference is split up equally into five key topics Introducing Apprenticeship Backgrounds Changes and Difficulties Enabling Learning Opportunities in Workplaces and Informal Contexts Competence Assessment and Development Managing Transitions from VET into the World of Work Curriculum Design Apprenticeships and National Qualification Frameworks Series Bildung und Arbeitswelt Vol 27 **Low-Income Students, Human Development and Higher Education in South Africa** Melanie Walker,Monica McLean,2022-07-15 This book explores learning outcomes for low income rural and township youth at five South African universities The book is framed as a contribution to southern and Africa centred scholarship adapting Amartya Sen s capability approach and a framework of key concepts capabilities functionings context conversion factors poverty and agency to investigate opportunities and obstacles to achieved student outcomes This approach allows a reimagining of inclusive learning outcomes to encompass the multi dimensional value of a university education and a plurality of valued cognitive and non cognitive outcomes for students from low income backgrounds whose experiences are strongly shaped by hardship Based on capability theorising and student voices the book proposes for policy and practice a set of contextual higher education capability domains and corresponding functionings orientated to more justice and more equality for each person to have the opportunities to be and to do what they have reason to value The book concludes that sufficient material resources are necessary to get into university and flourish while there the benefits of a university education should be rich and multi dimensional so that they can result in functionings in all areas of life as well as work and future study the inequalities and exclusion of the labour market and pathways to further study must be addressed by wider economic and social policies for inclusive learning outcomes to be meaningful and that universities ought to be doing more to enable black working class students to participate and succeed Low Income Students Human Development

and Higher Education in South Africa makes an original contribution to capability scholarship conceptually in theorising a South based multi dimensional student well being higher education matrix and a rich reconceptualisation of learning outcomes as well as empirically by conducting rigorous longitudinal in depth mixed methods research on students lives and experiences in higher education in South Africa The audience for the book includes higher education researchers international capability scholars practitioners and policy makers
