

A miniature nativity scene set against a dark blue night sky with several stars. In the background, a stone castle with multiple towers and arched windows stands on a hill. To the left of the castle is a tall, slender palm tree. In the foreground, a variety of small, colorful figurines are arranged on a grassy area. These include several figures on horseback, some on foot, and a group of white sheep. The overall scene is illuminated by a soft light, possibly from the stars or a hidden light source, creating a serene and festive atmosphere.

Nā Mele o Hawai'i Nei Samuel H. Elbert, Noelani K. Mahoe, 1982-06-01 Here for the first time is a large collection of Hawaiian songs in an authoritative text with translation music not included The texts have never before been written consistently with the glottal stops indicating syllabic breaks between vowels and macrons indicating long vowels and stresses that make the words pronounceable by those unfamiliar with the Hawaiian language Many of the songs have not been translated before or have only been freely adapted rather than translated These 101 songs are all postmissionary and owe their musical origin to missionary hymns although only a few are religious None are technically chants though some are chants that have been edited and set to music They date from the mid 1850s most are

from the time of the monarchy to 1968 the date of Mary Kawena Pukui's translation of Christmas songs. Nearly all of these songs are sung today and are well known to Hawaiian singers. Included are love songs and Christmas songs. There is an exhaustive introduction which includes classification and arrangement of the songs, a note on the composers and analysis of the structure, symbolism and meanings of the songs, and a note on the translations and on the poetic vocabulary of the Hawaiian words.

America's nineteenth-century preachers and religious leaders moved public sentiment and shaped the nation's moral character. Equally influencing events were America's preachers and religious leaders who moved public sentiment and shaped the nation's moral character. In that class of great religious figures is the Episcopal preacher and bishop Phillips Brooks. The Boston Brahmin and Harvard University graduate rose to heights as an anti-slavery clergyman and indefatigable pastor to congregations in Philadelphia and Boston. Yet his many achievements must be balanced against

his youthful arrogance and his shrewdness This book examines the spiritual and moral character of Phillips Brooks 1835 1893 as evidenced through his life and ministry The volume s eight essays recognize the most recent academic contribution by Gillis J Harp Brahmin Prophet Phillips Brooks and the Path of Liberal Protestantism 2003 but move beyond it in several crucial ways This new work seeks to reevaluate Brooks considering the early twenty first century social and racial conflicts and subsequent cultural soul searching The contributors portray Brooks as a man filled at times with hubris classism and prejudices and at other times with creative passion and pastoral concern for all peoples While Mortals Sleep focuses less on the external influences upon Brooks and more on his actions and works within his historical context The essays seek to show his legacy in a present day light illustrating Brooks at his best and worst      **The Literary World** ,1888
