Comprising 40 chapters, the book is divided into five sections: Section 1: Overview of Human Occupation; Section 2: Contemporary Perspectives on Human Occupation; Section 3: Principal Concepts; Section 4: Human Occupation across the Lifespan and Life Course; Section 5: Domains/Types of Human Occupation. From sleep to play, sexuality to social participation and education to work, uniquely international in scope, each chapter in this edited book includes learning objectives, key terms, summary, dot points, review questions, and a list of additional online resources for readers to refer to. This is a complete resource for anyone beginning an occupational therapy course, clinicians seeking an accessible reference work to support their practice, or occupational scientists needing to refer to contemporary occupation-related concepts.

Pedretti's Occupational Therapy - E-Book Heidi McHugh Pendleton, Winifred Schultz-Krohn, 2024-03-25 2025 Textbook and Academic Authors Association TAA McGuffey Longevity Award Winner Selected for 2025 Doody's Core Titles with Essential Purchase designation in Occupational Therapy. Gain the knowledge and skills you need to treat clients/patients with physical disabilities. Pedretti's Occupational Therapy Practice Skills for Physical Dysfunction, 9th Edition, uses a case-based approach threaded through each chapter to provide a solid foundation in evaluation, intervention, and clinical reasoning. The text continues to support the entry-level occupational therapist and the experienced occupational therapist focused on expanding skills and knowledge. With the OT practice framework as a guide, you will focus on the core concepts and central goals of client care. And by studying threaded case studies, you will learn to apply theory to clinical practice. Written by a team of expert OT educators and professionals led by Heidi McHugh Pendleton and Winifred Schultz-Krohn, this edition includes an eBook free with each new print purchase, featuring a fully searchable version of the entire text. UNIQUE Threaded case studies begin and are woven through each chapter, helping you develop clinical reasoning and decision-making skills and to apply concepts to real-life clinical practice. UNIQUE Ethical Considerations boxes examine the obligation to collaborate with clients on their care, using evidence to select treatment options. UNIQUE OT Practice Notes convey important tips and insights into professional practice. Illustrated evidence-based content provides a foundation for practice, especially relating to evaluation and intervention. Information on prevention rather than simply intervention or treatment shows how OTs can take a proactive role in client care. Focus on health promotion and wellness addresses the role of the occupational therapist in what the AOTA has

identified as a key practice area Content on cultural and ethnic diversity is included in every chapter reflecting occupational therapy's commitment to this important issue Key terms chapter outlines and chapter objectives highlight the information you can expect to learn from each chapter
