Ring Doorbell Tricks Customer Service:

Insuring Quality How to Improve Quality, Compliance, Customer Service, and Ethics in the Insurance Industry Les Abromovitz, Hedy Abromovitz, 1997-10-27 How can insurance providers boost their image and increase business Hedy and Les Abromovitz's *Insuring Quality* takes a hard look at the insurance industry and suggests innovative new ways of improving customer satisfaction, turbo charging sales and polishing the tarnished image of the industry. The insurance industry has an image problem. From Woody Allen movies to greeting cards insurance agents are ridiculed as boring overbearing pests out to make a quick buck at someone's expense. Recent criminal investigations into some of the nation's largest insurance providers have only made the situation worse. And that's bad news for insurance professionals for more than any other business the insurance industry is built on trust. This book was written by insurance professionals for insurance professionals so every example in the book is based on a real life situation. There's no ivory tower philosophizing or impenetrable jargon just practical advice from two veterans who have examined the true relationship between quality, ethics and customer service. As the authors say *Insuring Quality* will help your organization solve real life problems. It's for the people in the trenches.

How to Find the Best Talent to Grow Your Business Julie Labrie, 2022-09-27 This book is the ultimate go to hiring resource for business leaders, managers and HR professionals. Filled with smart strategic real world advice Julie lays out straight forward and easy to follow steps to find the right candidate for your organization every time. Introduction from the author: If you're committed to finding the best talent to grow your business then you've come to the right place. I've written this book for you. You may be a passionate business owner, senior executive or hiring manager or perhaps you work in HR and want to hone your recruitment expertise. No matter what brought you here I can promise that on the following pages you'll find some of the best tips, trends and insights I have accumulated over the past two decades. My team and I have weathered many storms over the years from economic downturns to global crises like the SARS outbreak of 2003, the Great Recession of 2008-2009 and of course the global COVID 19 pandemic. Through every ebb and flow values such as trust, integrity and relationship building have remained at the core of all my recruitment successes. What you'll get from this book is intel presented through the lens of these fundamental principles. For several years now I've been sharing the best of what I know on my company's blog at www.blueskypersonnel.com. Many clients have told me since then just how much value they've gained from this content. So I've meticulously scoured this collection of content and pulled from it what I feel is both timely and timeless in recruitment all of it with the goal of exponentially growing your business by finding the best talent to hire from the marketplace. As such this book is designed for you to easily read it from cover to cover in one sitting. But if you choose you can also use it as a quick reference guide jumping directly to a specific topic of interest when needed. Either way I hope you enjoy reading it as much as I've enjoyed writing it. I'm more passionate about recruitment than ever and I hope the time tested recruitment strategies contained in this book will serve you well for many years to come. Cheers to your hiring!
