PREPPERS: HISTORY AND THE CULTURAL PHENOMENON Lynda King, 2014-08-07 The word prepper seems to have burst onto the scene within the last 10 years and has increasingly become associated with fringe extremists They have been labeled by some as domestic terrorists But is prepping a new phenomenon Or is it a manifestation of a growing collective psyche that has learned from traumatic events throughout our history that preparedness is critical to human survival For new preppers who think the worst is yet to come this book offers a walk through history that shows the worst has been here before For those who wonder why so many people are concerned about being prepared this book will show that when the worst has made an appearance those who weathered it best were those who were prepared For those already familiar with history s worst who think THAT will never happen again this book offers a reminder of the Wall Street adage Past performance is no guarantee of future results For those who wonder what a prepper is this book offers a look at what they used to be and what they are today [The Intelligent Crypto Investor](#) John Hargrave, 2026-02-17 Outsmart Wall Street the proven crypto investing strategy that has beaten traditional portfolios by 65% Crypto just crossed the tipping point and everything you thought you knew about investing is about to change The world s biggest institutions are pouring billions into bitcoin while most mainstream investors are still sitting on the sidelines frozen by fear That s where [The Intelligent Crypto Investor](#) comes in Backed by seven years of real world results this groundbreaking book shows how adding just a small slice of crypto 10% or less to a balanced portfolio can dramatically improve long term returns outperforming traditional portfolios by more than 65% Through the stories of legendary investors like Warren Buffett Jack Bogle and Cathie Wood bestselling author John Hargrave unveils a clear accessible strategy for adding bitcoin and other high quality crypto assets to your portfolio with minimal risk and maximum intelligence You ll discover The simple 60 30 10 portfolio strategy that has crushed Wall Street How legendary investors would think about crypto today The 3 metrics that separate crypto winners from the wannabes How to safely earn interest on your crypto through staking Why Wall Street is quietly investing billions into crypto and how you can do it better The smart money is already moving This is your proven playbook for building long term wealth with global digital money before the rest of the world catches up **Way Too Cool** Shannon Winnubst, 2015-09-08 Life liberty and the pursuit of cool have informed the American ethos since at least the 1970s Whether we strive for it in politics or fashion cool is big business for those who can sell it across a range of markets and media Yet the concept wasn t always a popular commodity Cool began as a potent aesthetic of post World War II black culture embodying a very specific highly charged method of resistance to white supremacy and the globalized exploitation of capital Way Too Cool follows the hollowing out of coolness in modern American culture and its reflection of a larger evasion of race racism and ethics now common in neoliberal society It revisits such watershed events as the 1960s Civil Rights Movement second wave feminism the emergence of identity politics 1980s multiculturalism 1990s rhetorics of diversity and colorblindness 9 11 and Hurricane

Katrina as well as the contemporaneous developments of rising mass incarceration and legalized same sex marriage It pairs the perversion of cool with the slow erasure of racial and ethical issues from our social consciousness which effectively quashes our desire to act ethically and resist abuses of power The cooler we become the more indifferent we grow to the question of values particularly inquiry that spurs protest and conflict This book sounds an alarm for those who care about preserving our ties to an American tradition of resistance Kiss Your Money Hello! Bill Hines, 2023-04-19 It's here Your guide to a financially independent life no more money stress This book is a complete modern comprehensive guide to your personal finance life It's the key to never having to go to a job you detest to living every day on your own terms Why this book Right now you may be browsing a few personal finance books in a library bookstore or even online Why this one Is it worth a couple of dollars and hours of your time Here's why I've read the others Almost every book was someone telling their own personal rags to riches tale That's admirable but the likelihood that it's even close to you and your personal situation is quite remote What worked for them will probably not work for you Everyone is different every situation is unique Some assume their readers all want to be mega rich In my experience most people just want to be happy without money stress and have a good fun comfortable life That said if you want to be rich I'll show you how to do that too So get to the point Bill why this one Because this book is based on my experience as a financial counselor investment advisor and financial planner This book is a user manual for your money No matter who you are there is plenty for you We cover FIRE Financial Independence Retire Early This book is the way to financial peace to relieving the number one stressor in our lives and relationships It's the guide to living every day on your own terms and never having to go to a job you no longer love of never having to miss those important life events because work I'll keep it short and simple just the way your personal finances should be The first word of the title is no coincidence KISS also means Keep It Simple Silly Maybe I'll even make you laugh once or twice Your household is a mini business only you measure success in happy not some corporate financial metric I'm not going to guilt trip you about buying a latte I'm going to convince you that doing the right things now getting over the hump in a short period means buying all the lattes and new cars you want with cash not credit for the rest of your life Those lattes will taste so much better and you'll enjoy the ride more in a car you own not the bank You'll watch the former car payment money grow like weeds in your investment accounts Can you trust me Yes you can I've helped countless people and I want you to do well I want you to be happy and enjoy this one life we get as far as we know This book is for you This is generational knowledge for your kids and parents Who am I When I was a kid I was a huge superhero fan I'd sit in the corner luncheonette and read comic books on my way home from school until the owner would throw me out I didn't have the money to buy them my parents didn't have the money to give me I'd peek out from my bedroom at night and see my mother stressing out over a kitchen table full of bills writing out checks and stuffing them in envelopes Kiss your money goodbye I heard more than once hence my title I watched my father come home from work exhausted especially as he got older I didn't want to be the

superhero who could fly be invisible shoot lasers out of my eyes or swing from building to building on spider webs I wanted to be the kind that could help people like my parents That s where the title of this book came from Instead of paying your hard earned money out to everyone under the sun watching each paycheck or retirement distribution fly away you re going to welcome it back Hello hard earned money Let s have some fun together I became that superhero and I believe I still am Let s get this party started *International Marketing* Michael A. Merz,2025-06-04 This comprehensive text provides students with a solid foundation in international marketing theory research and practice Fully updated throughout the book covers all the latest trends and topics including e commerce digitalization corporate sustainability business ethics corporate social responsibility cryptocurrency and the broader political and economic context New international case studies and mini cases from the US Europe China and Japan are incorporated alongside enhanced pedagogy to structure learning such as chapter objectives summaries and discussion questions Placing a unique emphasis on the importance of academic research all academic references and marketing theories have also been updated Demonstrating the complexities of marketing on a global scale this well regarded text should be core reading for advanced undergraduate and postgraduate students of international and global marketing marketing management and strategic marketing Online resources include chapter by chapter PowerPoint slides a test bank cases and discussion questions and videos to accompany specific topics
