Big-Time Sports in American Universities Charles T. Clotfelter, 2019-02-21 This book expands on the argument that spectator sports despite their problems have become a central function of American universities Box Office, 1960

**The Abercrombie Age** Myles Ethan Lascity, 2024-10-15 Be popular and good looking it's the key to a happy life Luckily with a bit of know how and money you too can have it all At least that's what teen pop culture was selling in surround sound at the turn of the millennium From movies like Clueless to TV's Dawson's Creek to the music videos on MTV's Total Request Live and the catalogs of Abercrombie Fitch a consumer minded ethos drove pop culture storytelling as millennials came of age in the late 1990s and early 2000s But in the long shadow of the Great Recession the upwardly mobile aspirations fostered by the era's popular culture and media seem to have been thwarted Many millennials today lack the wealth their parents had at the same age and the gaps between rich and poor rival those of the Gilded Age The Abercrombie Age reconsiders teen popular culture from the turn of the twenty first century revealing how it told young people that life not only could but surely would get better Far from frivolous or forgettable the era's superficial materialistic culture sold millennials unrealistic expectations of what life could offer setting up a stark juxtaposition with the realities of today Global California Abraham F. Lowenthal, 2009 Global California analyzes how the residents of the largest and most internationally connected of the fifty American states are affected by world trends and recommends what they can do to enhance the benefits and mitigate the costs of global engagement It's the Student, Not the College Kristin M. White, 2015-04-07 The future is in your hands not Harvard's TO All students wondering Can I get into my dream college CC All parents wondering Can we afford it FROM Educational consultant Kristin M White MEMO COLLEGE RANKINGS DON T MATTER This claim might sound crazy but it's true Research shows that where you go to school makes little difference to future financial success or quality of life personal qualities such as ambition perseverance and a sense of purpose are all more important Kristin M White has helped hundreds of parents and students look beyond the dream school hype and focus on what's most important Now in It's the Student Not the College she shows how to avoid unrepayable debt and set yourself up to grow excel and enjoy yourself at any school Instead of obsessing over GPA cutoffs and SAT scores students will learn how to build a personal Success Profile by adopting the traits that help stellar students make the grade in school and life Plus Why what you do in school counts more than where you go 14 surefire ways to develop your Success Profile as a student and beyond Criteria to consider when choosing a college How to find a good fit for your family's finances And tips for graduating career ready and landing a great first job Expensive elite colleges have too much sway over the minds and bank accounts of students and parents It's the Student Not the College breaks that stranglehold and reveals the real secrets of success **USA Today Index**, 1996 New York Magazine, 1996-07-22 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award
