I Am Here Marlys Beider, 2019-06-13 Twenty two year old Kuri Berger has made an impactful impression on film and television audiences and is one of the industry s most sought after actors of her generation For years she s experienced strange hallucinations and heard voices that speak to her in languages she doesn t understand While filming in Germany she visits the memorial site of the former concentration camp Dachau where she has an eye opening encounter with psychiatrist Adam Gold a compassionate intelligent man who s dealt with mysterious visions of his own Though hesitant to disclose their past surreal episodes to the other they both sense having found a kindred spirit As Kuri and Adam s love grows deeper with each passing day they open arcane doors and face puzzling new occurrences In order to overcome the enigma that pursues them they must seek the source of their otherworldly connection a link that transcends the bounds of time

Apple Inc. Jason D. O'Grady, 2008-12-30 Two guys named Steve working in a garage created a prototype computer designed to be different in a way no one thought possible It would be easy to use Those two Steves one now a billionaire and still at the head of Apple not only succeeded with that product but they also broke ground in the business world in ways few thought possible They proved you could not only have fun at work but pursuing a capitalist dream could be hip How did Apple do it How did it go from making computers that made a difference but not much of a dent in the overall market to creating a device the iPod and a music service iTunes that has changed the way we buy and experience music And how did the Macintosh and its successors capture the hearts and minds of computer users so deeply that being a Mac person makes you a member of a special club That s what this book is all about As author Jason D O Grady

shows Apple is a rare company one that is not afraid to think about a future that does not exist and turn it into reality Critics have written Apple off time and again yet it rises from the ashes to astound the critics and delight its customers That s not luck or happenstance it s vision dedication and persistence Besides delighting Apple aficionados this book will inspire students eager to launch a business career or work in the technology sector Apple has never been afraid to chart its own path and readers will learn what makes the company tick
