Caron,J. Michael Hodgson,Val Ireland,2012-01-03 Tackling

Football Everyone s Guide to Understanding the College Game provides fans with the basics for understanding a college football game how it is played including the various playing positions and basic offensive and defensive strategies It includes a close up look at what happens before during and after the game as well as how to listen to a play by play It is written in a user friendly format and is drawn from our combined years of experience with college football as spectator player and coach We feel that few things in sports compare to the excitement of a weekend college football game from socializing with friends

at the pregame tailgating parties to the energy of the crowd cheering their team's touchdown over a rival. We want others to have that experience and share in our love and appreciation for the game. Note: This is essentially the same book as our earlier book targeted to women fans *Tackling Football: A Woman's Guide to Understanding the College Game*; this version is designed and marketed for both men and women who want to understand the very basics of the game. **EA Sports**
