Ornamental Grasses For The Southeast:

Ornamental Grasses For the Southeast H Peter Loewer, 2004-03-01 Ornamental Grasses of the Southeast features traditional and exotic grasses with detailed instructions on plant care landscape use and the distinctive qualities of each variety of grass In addition you ll discover the plant s history and enjoy full color photographs of each along with selected botanical illustrations

Ornamental Grasses and Grasslike Plants A. J. Oakes, 2012-12-06 The Gramineae or grass family is second in size only to the Compositeae or sunflower family It is among the most important plant families in the world The major food crops of the world are found in the grass family From time immemorial grasses have provided food and shelter for humanity domesticated livestock and wildlife without grasses these forms of life might cease to exist The grass family is large in size diverse in habit and ubiquitous in distribution Earth would be bleak and bare indeed in the absence of this life sustaining plant family In addition to its economic and industrial value the grass family has some ornamental value It provides us with physical sustenance and gives us much pleasure and satisfaction in its ornamental forms The purpose of this book is to point out the value and usefulness of grasses as ornamentals and to delineate their attributes and uses in the home in the garden and in the landscape Ornamental grasses serve a unique and significant purpose in ornamental horticulture Horticulturists other plant scientists and nursery personnel are more fully aware of the value and usefulness of grasses as ornamentals than is the general public It is mainly for this reason that this work is directed toward the home gardener and the scientist alike in the hope of enhancing reader appreciation of the role grasses play in ornamental horticulture

The Secret Gardens of the South East Barbara Segall, 2022-10-04 Unique behind the scenes access to 20 surprising and hidden horticultural jewels in Sussex Kent and Surrey the garden of England

Horticultural Reviews, Volume 39 Jules Janick, 2012-01-25 Horticultural Reviews presents state of the art reviews on topics in horticultural science and technology covering both basic and applied research Topics covered include the horticulture of fruits vegetables nut crops and ornamentals These review articles written by world authorities bridge the gap between the specialized researcher and the broader community of horticultural scientists and teachers

Step-by-step Ornamental Grasses H. Peter Loewer, 1995 Shows how to design a landscape featuring ornamental grasses describes the most popular varieties and offers advice on planting weeding mulching and grooming

The Encyclopedia of Ornamental Grasses John Greenlee, 1992 The Encyclopedia of Ornamental Grasses provides descriptions of over 250 grasses For each major entry the encyclopedia features a color photograph of the grass plus a special information box that gives the grass s botanical and common names hardiness zone origin and preferred sites A comprehensive description follows with information on the grass s physical characteristics color habit height and flowers landscape uses for example as a border in masses as an accent or for cutting culture and propagation its preferred conditions and propagation methods and any potential pests or problems Cultivars and varieties are listed as well
