Using a mix of research methods Cantril shows that the impact of the broadcast had less to do with what went out over the air than with the standards of judgment people did or did not use in evaluating what they were hearing This book is of continuing value to those interested in communications and mass behavior      **The War of the Worlds** Alex Lubertozzi, Brian Holmsten, 2001 Tells the story behind Orson Welles notorious broadcast of H G Wells s The War of the Worlds and includes the full text and illustrations of the story plus a CD with a recording of the actual broadcast      *The Invasion from Mars* Hadley Cantril, 1966      *Orson Welles and the War of the Worlds, Below Level Level 6.2.1* Read, 2004 An account of the radio performance by Orson Welles on October 30 1938 that was based on The war of the worlds by H G Wells
