into a space of meditation He describes meditation as the very center of his teaching efforts the very womb out of which one is going to be re born To say something about meditation is a contradiction in terms It is something which you can have which you can be but by its very nature you cannot say what it is Still efforts have been made to convey it in some way Even if only a fragmentary partial understanding arises out of it that is more than one can expect From a series of talks From Misery to Enlightenment by Osho

**The Heart Sutra** Osho,2014-09-09 The Heart Sutra originally a very short set of verses was given in privacy It was a message to one of Buddha s close disciples Sariputra and was specifically addressed to him Over time the Heart Sutra became one of Buddhism s core teachings In these ten talks Osho presents the powerful message of these ancient words and brings them to a modern audience one with different minds and needs than the original audiences of Buddha more than 2 500 years ago Osho s message is not about Buddha the historical figure instead he addresses his readers and listeners and encourages them to discover their own inner reality their own buddhahood Like Buddha s Osho s message is about meditation and meditation alone rely only on your meditation and nothing else Osho also speaks on the seven chakras the energy centers of the human body and their corresponding relationships to the physical psychosomatic psychological psychospiritual spiritual spiritual transcendental and transcendental aspects of human growth and consciousness

**You Are in Prison and You Think You Are Free** Osho,2012-09-30 This book is about the starting point of all personal and spiritual growth the realization of your own reality Osho introduces George Gurdjieff one of the most significant masters of this age He used to say You are in prison If you wish to get out of prison the first thing you must do is realize that you are in prison or you are the prison Osho emphasizes this as something to be always remembered as one of the first principles for any seeker of truth From a series of OSHO Talks titled The Invitation This OSHO Talk is complete in itself Recorded at the Osho International Meditation Resort Pune India The series The Invitation is available in audio format

**Superficially Civilized** Osho,2012-09-30 Osho describes humanity as superficially civilized Underneath of our so called civilization we are still animals but our cultures cannot accept this fact This Osho talk is about about unconsciousness repression and expression of emotions In responding to two personal questions Osho describes unconsciousness as the basement of our minds in which many things are buried which find expression through your conscious Like millions of people watch boxing or football matches and their enjoyment is the expression of hidden violence

**Hypnosis in the Service of Meditation** Osho,2012-09-30 Can hypnosis support meditation This is the focus and question of this Osho Talk Osho speaks about a time when hypnosis was a recognized door towards meditation In the Middle Ages hypnosis was condemned alongside witchcraft That condemnation still lingers on Osho speaks here about hypnosis as a very helpful tool to enter into meditation he discusses hypnosis and self hypnosis as useful tools combined with modern audio recording technology to support the process

**When Eternity Penetrates Time** Osho,2013-03-26 Time is that in which we live it is horizontal It is from A to B to C to D it is in a line Eternity is vertical It is not from A to B and from B to C It is from A to more A to still more

A It goes on upwards The moment is rare because it happens only when meditation has reached ripening maturity when you have touched your innermost core The vertical line opens a door to eternity Taken from a series Hari Om Tat Sat by Osho

A Course in Meditation Osho,2019-09-03 A 21 day course for modern meditators It can be difficult for the hyperactive 21st century mind to relax into an experience of silence and awareness Recognizing this the revered mystic Osho developed new meditation techniques to address the challenges of the modern mind A Course in Meditation demonstrates these techniques in an easy to navigate format Each day learn a new aspect of meditative living followed by a simple practical meditation and awareness practice After each experience reflect on the accompanying quote of the day or use the provided space to take notes Throughout the course Osho imparts his unique insights on love anger relaxation and more to guide you toward a space of inner acceptance joy and mindfulness A Course in Meditation shows how we can reclaim the meditative nature that we each come in to the world with but lose over time as we are initiated into the ways of society From beginners eager to find stillness to more experienced meditators who wish to elevate their practice Osho s guide to meditation can teach everyone to separate themselves from their minds for a transformation of consciousness that brings a new understanding of what it means to be alert and responsive to whatever life brings Without meditation you do not know the secrets of life you know only the surface of life OSHO Osho known for his revolutionary contribution to the science of inner transformation continues to inspire millions of people worldwide in their search to define a new approach to individual spirituality that is self directed and responsive to the everyday challenges of contemporary life Osho was described by UK s Sunday Times as one of the 1000 Makers of the 20th Century His internationally bestselling works are available in 60 languages around the world
