lives of the Jewish people who worked for him during the reign of Hitler As the horror of the Holocaust swept across German occupied territory Schindler used his wealth his ingenuity and his connections with the Nazis to move the Jewish workers to safety *Oskar Schindler's Jews* Javier Gmez Prez,2014-07-25 A brief but thorough biography of Oskar Schindler in which we discover a very different person than we got used film director Steven Spielberg one Oskar spy alcoholic and womanizer but kind to his Jews Schindler lists translated into English with detail list number list number religion nationality prisoner number name surname date of birth and occupation in the factory every 1 098 Jews are included List and the subsequent fate of some of them Included in this book is the 19 pages of the original lists Introduction Childhood adolescence and youth Emile Pelzl Oskar and the army Habitual crime The constant infidelity Aurelie Schlegel Schindler Nazism Oskar in Krakow Moving the factory The List of Jews Escape to Argentina Neo Nazi threats Return to Germany Visit to Israel Recognition of their efforts The end of Oskar Schindler Emile Schindler Schindler Lists translated into English Portraits of the survivors Original Lists of Schindler *Oskar's Plans* Stevi Mulvehill & Keaton Westerkamp,A. Book A Book by Me,Stevi Mulvehill,2015-08-04 Oskar Schindler was born on April 28 1908 in Sudetenland Czechoslovakia He lived with his parents Hans and Franziska Schindler He also had one sister named Elfriede Oskar was especially fond of Elfriede and loved her with all of his heart Growing up in Czechoslovakia Oskar had many Jewish friends He was raised a Roman Catholic and his family went to church frequently Although he was brought up as a Roman Catholic Oskar eventually stopped going to church as he got older because he became focused on other things His father did not go so he thought he should not have to go either As Oskar got a little older he became involved in many businesses He started out helping his father sell farm equipment so his family could earn a little extra money He also taught students how to drive in a driving school while continuing to sell farm equipment with his father He did this until he was twenty years old During this time he met the love of his life Emilie Pelze whom he married in 1928 Neither of their families approved of the marriage They were married for over forty five years but they faced problems along the way The biggest reason their marriage started to fall apart was because of Oskar's gambling drinking partying and most importantly womanizing Emilie claimed that all the partying and womanizing did not bother her a bit she learned to accept him for who he was But that was not enough to keep them together and they later separated Because Oskar wanted to be successful he joined the Nazi party This was not because he had hatred toward Jews but because it offered more business options and opportunities He eventually became a spy and helped explore Poland Schindler was caught and arrested for espionage in 1938 He was released later Hitler convinced much of Germany to go against all Jews and anyone who would stand in their way After Oskar saw what Hitler had planned for the Jews he decided he was going to step in and help He came up with the idea to own an enamelware factory in Krakow Poland where the Jews would work to save their lives Because Oskar was broke he contacted a Jewish man named Itzhak Stern who knew some Jewish businessmen and they agreed to let Oskar borrow some money in return for a certain number of pots and pans each month

His plan worked and he had over 1 000 Jews employed in the enamelware factory The Jews made weapons and tools for the Germans to use in the war and were the fortunate few out of millions who were actually saved during the Holocaust Germany thought Oskar was working the Jews to death but he was just letting them work while protecting them as much as he could from the angry German soldiers The war pressed on and so did the Jewish factory workers They were working to provide Nazis with much needed supplies Some Jews were taken out of the factory if they were thought to be too weak old or injured They were sent to concentration camps or more than likely they were taken somewhere to be shot by the German soldiers Oskar kept looking for more and more Jews to put in his factory so more and more of them could be saved After the war ended in Europe on May 8 1945 Oskar fled the country with Emilie after saying goodbye to all the Jews he saved in his factory They went to Argentina for a bit until Oskar decided to leave his wife to go back to Germany They never saw each other again Oskar spent the rest of his life collecting donations from the Schindlerjuden who were the Jews he saved during the Holocaust Schindler passed away on October 9 1974 and was buried in Jerusalem Hitler ended up killing over six million Jews and Schindler ended up saving over 1 000 of them His bravery and courage will be remembered by many

**The Real Oskar Schindler and His List - Paperback** Robin O'Neil,2022-02-16 Oskar Schindler was a naive optimist a chronic alcoholic a lover of women outside his marriage to Emily Pelzl The Jews he saved used to say Thank God he was more faithful to us than to his wife Will the enigma ever be solved Schindler is not here to tell us and the survivors are uncertain and differ in their opinions The establishment and Schindler s business associates in Krakow had opposing views of his ethics and would have preferred to sit on the fence and hope the Schindler story would retreat into the archives Schindler s friends and enemies accept that he was a very unusual man A few of the Jews that he saved maintain after all these years that they still consider him a Nazi and exploiter of Jewish slave labor Others swear their love for the man That he used Jewish slave labor to enrich himself is not questioned nor are his endeavors to eventually save his Jewish laborers The author forensically re examines the life and times of Oskar Schindler with surprising results
