## **Oster 10 Cup Rice Cooker Manual:**

**The Complete Guide to Preserving Meat, Fish, and Game** Kenneth V. Oster, 2011 For more than 8 000 years humans have been preserving meat and fish through canning curing smoking and freezing use techniques that remove the moisture and make it possible to keep meat for much longer than its natural shelf life However improper preservation of meat leads to more than 40% of all reported cases of food borne illness according to the Center for Disease Control meaning it is necessary for everyone to carefully effectively practice safe storage practices and ensure the meat is well preserved This book will show any potential meat preserver how to go about the process of storing meat for long term use in a variety of methods while constantly keeping an eye to the possibility of food borne illness and the loss of freshness You will learn everything you need to know to start the process of setting aside and preserving your meat fish and game Starting with a series of charts and basic details about different kinds of meat and fish from venison to beef to salmon you will learn which animal products store best with which methods which methods must be avoided and which diseases are the greatest risk when you store meat With this information in hand you will start learning how the freezing canning curing and smoking processes work You will be given detailed outlines of each process starting with what equipment you will need Experts in meat preservation have been interviewed and their insights have been included here to provide a detailed and full overview of everything you can expect in the process From these interviews you will start the process of understand what you need to effectively preserve meat products You will learn what can lead to failure for all four methods what the best possible storage locations are for each and what materials should be avoided at all costs Learn how smoking works and the timelines for every form of storage from the moment the animal is butchered to the moment it needs to be preserved No matter what kind of animal you are preserving this book will provide the details you need to effectively store the meat for later use Atlantic Publishing is a small independent publishing company based in Ocala Florida Founded over twenty years ago in the company president's garage Atlantic Publishing has grown to become a renowned resource for non fiction books Today over 450 titles are in print covering subjects such as small business healthy living management finance careers and real estate Atlantic Publishing prides itself on producing award winning high quality manuals that give readers up to date pertinent information real world examples and case studies with expert advice Every book has resources contact information and web sites of the products or companies discussed    *Catalogue* Montgomery Ward, 1985    **JCPenney Catalog** J.C.
