Othello William Shakespeare,2016-08-11 An intense drama of love deception jealousy and destruction Othello is arguably Shakespeare s most topical and accessible tragedy Part of the Macmillan Collector s Library a series of stunning clothbound pocket sized classics with gold foiled edges and ribbon markers These beautiful books make perfect gifts or a treat for any book lover This edition is illustrated throughout by Sir John Gilbert and includes an introduction by Ned Halley In this tale of suspicion and betrayal Desdemona s love for her husband Othello the Moor transcends racial prejudice But his trusted ensign the envious Iago conspires to devastate their lives The play raises uncomfortable and pertinent questions about both racial identity and sexuality as Othello and Desdemona s relationship becomes the voyeuristic site of Iago s attempt to destroy them

Othello William Shakespeare, 2018-10-06 *Othello* The Tragedy of Othello the Moor of Venice By William Shakespeare Shakespeare creates a powerful drama of a marriage that begins with fascination between the exotic Moor Othello and the Venetian lady Desdemona with elopement and with intense mutual devotion and that ends precipitately with jealous rage and violent deaths He sets this story in the romantic world of the Mediterranean moving the action from Venice to the island of Cyprus and giving it an even more exotic coloring with stories of Othello's African past Shakespeare builds so many differences into his hero and heroine differences of race of age of cultural background that one should not perhaps be surprised that the marriage ends disastrously But most people who see or read the play feel that the love that the play presents between Othello and Desdemona is so strong that it would have overcome all these differences were it not for the words and actions of Othello's standard bearer Iago who hates Othello and sets out to destroy him by destroying his love for Desdemona As Othello succumbs to Iago's insinuations that Desdemona is unfaithful fascination which dominates the early acts of the play turns to horror especially for the audience We are confronted by spectacles of a generous and trusting Othello in the grip of Iago's schemes of an innocent Desdemona who has given herself up entirely to her love for Othello only to be subjected to his horrifying verbal and physical assaults the outcome of Othello's mistaken convictions about her faithlessness
