**Othello's Secret** R M Christofides, 2016-06-30 Othello's Secret uncovers the relationship between the play and the conflicts that have torn apart its Cypriot setting providing a new and powerfully political reading Exploring the domestic and military anxieties connected by Shakespeare Christofides highlights the ways in which these issues resonate with current ideological and geographical divisions in Cyprus divisions rooted in the 16th century struggles to control the island Challenging the conventional view of Othello as a Venetian play this book offers a fierce and personal example of how early modern literature can purposefully contribute to even the most complex geopolitical debates

**Othello's Secret** R M Christofides, 2016-06-30 Othello's Secret uncovers the relationship between the play and the conflicts that have torn apart its Cypriot setting providing a new and powerfully political reading Exploring the domestic and military anxieties connected by Shakespeare Christofides highlights the ways in which these issues resonate with current ideological and geographical divisions in Cyprus divisions rooted in the 16th century struggles to control the island Challenging the conventional view of Othello as a Venetian play this book offers a fierce and personal example of how early modern literature can purposefully contribute to even the most complex geopolitical debates

**Visions of Venice in Shakespeare** Laura Tosi, Shaul Bassi, 2016-03-03 Despite the growing critical relevance of Shakespeare's two Venetian plays and a burgeoning bibliography on both *The Merchant of Venice* and *Othello* few books have dealt extensively with the relationship between Shakespeare and Venice Setting out to offer new perspectives to a traditional topic this timely collection fills a gap in the literature addressing the new historical political and economic questions that have been raised in the last few years The essays in this volume consider Venice a real as well as symbolic landscape that needs to be explored in its multiple resonances both in Shakespeare's historical context and in the later tradition of reconfiguring one of the most represented cities in Western culture Shylock and Othello are there to remind us of the dark sides of the myth of Venice and of the inescapable fact that the issues raised in the Venetian plays are tremendously topical we are still haunted by these theatrical casualties of early modern multiculturalism
