Certain People Stephen Birmingham,2024-05-14

The 1 New York Times bestselling author of *Our Crowd* shares an intimate social history of America's elite Black society in the 1970s. From New York to Chicago, Atlanta, and Washington DC, Stephen Birmingham met with members of Black America's upper crust: those old families of money and lineage who send their children to boarding schools and make business alliances over charity dinners. Invited into their homes, he became acquainted with their private world, their traditions and customs, their networks and conflicts, and of course their many stories. In *Certain People*, Birmingham presents a panoramic social history of upper class Black society, one full of anecdotes and telling observations. From the Palmer Memorial Institute of North Carolina, where the best families sent their children, to the halls of the Johnson Publishing Company, creator of *Ebony* and *Jet* magazines, Birmingham provides an intimate glimpse of this exclusive crowd. *The Publishers Weekly*, 2004 *The Christian Century*, 1935 **The New Yorker** Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell, Rea Irvin, Roger Angell, 1961 *School Library Journal*, 2010 **Women Lawyers' Journal**, 1911. Includes lists of members of the association. *Carriage Trade* Stephen Birmingham, 2015-12-01. The suspicious death of a New York retail tycoon reveals dangerous cracks in a family's foundation in this page-turning novel of wealth, jealousy, betrayal, and murder. One of New York's most elegant and exclusive retail establishments, Tarkington's has been the preferred shopping experience of Manhattan's elite for decades. But the unexpected death of founder Silas Tarkington has raised serious doubts about the future of the enterprise, and his daughter Miranda must weigh the pros and cons of continuing her father's legacy. Then, at the reading of Silas's will, disturbing questions arise about the tycoon's past and suggestions of a dark secret life threaten to tear the family apart. For Miranda, her elegant socialite mother Consuelo, her estranged son Blazer, and Diana, the fieriest and most recent in the late entrepreneur's long line of mistresses, the truth could destroy much more than the family business, especially as it becomes more and more likely that Silas's death was no accident. Author Stephen Birmingham has spent his career documenting the lives of the wealthy and powerful in his bestsellers *Our Crowd* and *The Rest of Us*. Putting his unique inside knowledge of the privileged world of the upper crust to excellent use, he has devised a thrilling story of money, power, deception, and treachery that will keep the reader eagerly turning its pages.
