

An impressionistic oil painting of a man in a black top hat and a white cravat. The man's face is rendered with warm, golden-yellow and pinkish tones, contrasting with the dark, moody background. The brushstrokes are visible and expressive, particularly in the shading of the face and the highlights on the hat. The overall composition is a close-up, focusing on the man's head and shoulders.

In The Year of Jubilee George Gissing,2024-12-27 In the Year of Jubilee by George Gissing is a compelling and insightful novel set in the backdrop of late 19th century England Through the story of its protagonist the novel explores the themes of social class moral dilemmas and the tensions between personal desires and societal expectations The plot centers around the life of a young man Arthur who is caught in the struggle to break free from his working class roots and secure a better life for himself As he navigates his way through the complexities of social mobility Arthur finds himself at a moral crossroads confronted by choices that will shape his future At the heart of the story is the conflict between personal ambition and the rigid class structures that define Victorian society The novel s title In the Year of Jubilee refers to the biblical concept of a year of release where debts were forgiven and social structures were temporarily reset However in Gissing s interpretation the year of jubilee is symbolic of the fleeting moments of freedom and the potential for personal reinvention within the confines of a society that limits individual freedom based on class Gissing s characters are trapped in a world where their choices are constrained by economic and social forces making it difficult to break free from the expectations placed on them by their social standing Throughout the narrative Gissing masterfully examines the moral implications of ambition and desire Arthur s struggles are mirrored in the lives of other characters who must grapple with their own dreams and the societal pressures that hold them back The novel portrays a society that values appearances wealth and social status and it reveals the human cost of trying to rise above one s station Gissing s sharp social commentary critiques the inequalities of the class system highlighting the struggles of those who seek to overcome their circumstances but face insurmountable obstacles In the Year of Jubilee is a thought provoking exploration of the consequences of social mobility and the desire for personal freedom Gissing s portrayal of characters caught between their ambitions and their limitations offers a poignant reflection on the complexities of human nature and the societal forces that shape individual destinies The novel remains a powerful commentary on the social challenges of the Victorian era as well as an enduring examination of the

human condition and the search for personal fulfillment in an unequal society Our Friend the Charlatan. ... With illustrations, etc George Gissing, 1901 George Gissing Frank Swinnerton, 1912 **The Paying Guest** George R. Gissing, 2018-06-19

OUR FRIEND THE CHARLATAN; "TIME IS MONEY SAYS THE PROVERB, BUT TURN IT AROUND AND YOU GET A PRECIOUS TRUTH. MONEY IS TIME." GEORGE GISSING., The Paradox of Gissing David Grylls, 2016-07-22

First published 1986 In this book the author refutes the notion that Gissing's weaknesses as a novelist are associated with defects in his personality and argues that the power of his writing stemmed from his divided character Gissing's permanently divided emotions on poverty reformism women and art were at his best the reason he could write so convincingly about them This analysis of Gissing's imagination and the fictional development in his major works shows that the effectiveness of his novels depends largely on these dichotomies and

opposites This work covers the whole range of Gissing's writing and relates it to its social and intellectual milieu
