Our Immoral Soul Our Immoral Soul:

Our Immoral Soul Rabbi Nilton Bonder, 2014-02-11 Rabbi Bonder turns a few conventional ideas on their heads as he identifies the forces at play in individual social and spiritual transformation. Many people believe that obedience to the established moral order leads to the well-being of society as well as the salvation of their souls. On the contrary, says Bonder, the human spirit is nourished by the impulse to betray and transgress the ways of the past. Even the Bible legitimizes our God-given urge to disobey in order to evolve, grow, and transcend. It is this immoral soul of ours that impels us to do battle with God and, out of this clash, Bonder predicts a new humanity will emerge. In the course of discussion, he examines a variety of intriguing issues touching on religion, science, and culture, including the findings of evolutionary psychology, the relation of body and soul, infidelity in marriage, the stereotype of Jew as traitor, sacrifice and redemption in Judaism and Christianity, and the Messiah as archetypal transgressor.

Our Immoral Soul Nilton Bonder, 2001 Rabbi Bonder turns a few conventional religious ideas on their heads as he examines the Bible and other Jewish teachings to identify the forces at play in individual social and spiritual transformation. Religious conformists believe that obeying the established moral order will lead to the salvation of our souls. On the contrary, says Bonder, the human spirit is nourished by what society labels immoral. Even the Bible legitimizes the notion that we have a God-given urge to rebel against the status quo in order to evolve, grow, and ascend. It is this immoral soul of ours that impels us to do battle with God and, out of this clash, Bonder predicts a new humanity will emerge. In the course of discussion, the author examines a variety of intriguing issues touching on religion, science, and culture, including the teachings of evolutionary psychology, the relation of body and soul, infidelity in marriage, anti-Semitism, and the Jew as traitor, transgression, sacrifice, and redemption in Judaism and Christianity, and the Messiah as archetypal transgressor.

Wisdom of the Soul and Life's Challenges Halim Ozkaptan, PhD, 2017-03-30 The relationship between the soul, consciousness, and spirituality is presented. The soul is a part of God that he has bestowed upon us. It is our moral source. It represents our love and positive emotions that contribute to our moral value and growth. Consciousness is our creative and life force that derives from the soul. It is the spark of life that creates and sustains us. Our spirituality reflects the quality of our soul that is expressed through our conscious behavior. It is the intermediary between the soul and consciousness. We are spiritual beings living a mortal life and are reflections of God's love and spirit. Free will and choice are our burden. We are challenged to avoid less than honorable deeds. Our behavior, actions, and treatment of others become the essence of our character. We are also spiritually interconnected. We attract like spirits throughout our lives for support, personal growth, or loss. Our life represents the wisdom of our soul.

Life Between Death and Rebirth Rudolf Steiner,1975-04

He listened extremely attentively apparently not looking at me at all but totally devoted to my words Franz Kafka The only love that you can show me is to call me anytime day or night when you need me Rudolf Steiner to Friedrich Rittelmeyer For Peter Selg if Anthroposophy to be a living reality we must learn to know and love Rudolf Steiner as he appeared to those who knew and loved him namely as a spiritual teacher To help us do so he gathered recollections of those of who knew Steiner personally historical witnesses to the living phenomenon of the figure of the teacher It is his hope that these firsthand accounts will help readers see and experience the amazing ever mysterious person that Rudolf Steiner was a dynamic energetic dual citizen of both the spiritual and the physical worlds He moved constantly between these two realities while his

whole life was dedicated in service to the spiritual evolution of humanity Nonetheless he was also deeply sociable and a true friend convivial cheerful humorous and always able to enjoy and tell a good joke He was also austere and painfully serious In other words Rudolf Steiner was a paradox Steiner was imposing but it would be difficult to say why He was slim there was no heaviness in him Indeed what seemed to strike most people first was his lightness He moved rhythmically youthfully artistically with quick light steps his posture erect but fluid his head seeming to float between Heaven and Earth Yet he was fully grounded When he stood it was as if nothing could move him When he spoke his gestures and tone expressed perfectly what he had to say He was completely one with what he said so that he changed as the content changed Those who listened to his lectures found themselves transported to the source of what they were hearing Sometimes ten Steiners would pass before them To hear a lecture was a meditation experience Quite another figure appeared in conversations which filled his every public moment One experienced luminous kindness selfless interest and intense listening attention It was as tough one were singled out in the world and having a sense of being allowed complete inner freedom All who came to him for advice felt Steiner's love They felt that he saw the best in them and spoke from that point of view whether it was a matter of life's journey or esoteric training By his example then he sought to exemplify the kind of spiritual community toward which he hoped anthroposophists would strive For anyone who has wondered what Rudolf Steiner was like this book will open many windows

Losing the Bond with God Katarzyna Peoples, 2011-04-07 Empirical research provides the basis for a comprehensive depiction of evangelical Christian men who self-identify as sexual addicts *Losing the Bond with God* Sexual Addiction and Evangelical Men offers a humane and constructive understanding of this issue treating it from an objective perspective rather than the Christian perspective that is common to writings on the subject Based on her own qualitative study of self-identified evangelical sex addicts the author shows how these men must overcome the compartmentalization of their lives and improve the integration of religion marriage and sexuality if they are to break their destructive patterns The book addresses many of the most dominant issues specific to sexuality within the evangelical movement such as sexual purity gender roles attitudes regarding homosexuality and marriage It begins with a framework for understanding the evangelical movement and its stance on sexual issues and ends with a cumulative summary about evangelical men who self-identify as sexual addicts Direct quotes and personal experiences from interviews are woven throughout the study and appendices provide a detailed description of the author's research

Reincarnation as a Phenomenon of Metamorphosis Guenther Wachsmuth, 1937 [Life in Christ](#) William Robert West, 2015-09-29 What do you believe about souls There are many very different doctrines taught in the world today concerning souls that are believed to be in all humans By most a soul is believed to be something that is wholly apart from the person a soul is in that a soul is something that is that is believed to be complete in itself without the person it will live after the person it is in is dead it is believed that a soul will exist forever without the person it will never be dead therefore a soul cannot be resurrected from the dead It is believed that a soul must

live someplace forever and it will live either in Heaven or Hell even if there is no resurrection The doctrine of unconditional immortality of a deathless soul being in a person and that soul leaving that person at the death of the person makes it impossible for Christ to have give His life to save that soul from death if a soul had immortality it would already have life and could never not have life all Christ could do is give it a reward or punish it *Transactions of the State Medical Society of Kansas* State Medical Society of Kansas,1888 **The Christian state of life** Franz Hunolt,1886 **The American Illustrated Methodist Magazine** ,1899 *The Westminster Review* ,1883 **The Century Dictionary and Cyclopedia: Dictionary** William Dwight Whitney,Benjamin Eli Smith,1897 **A Book about Shams: Relating to the Great French Revolution** ...
