Our Lady of KIBEHO Immaculée Ilibagiza, 2008-11-28 No matter what your race religion political affiliation or personal belief system you will be inspired by Our Lady of Kibeho a true story of the power of faith and the great potential of forgiveness John Fund columnist for The Wall Street Journal Thirteen years before the bloody 1994 genocide that swept across Rwanda and left more than a million people dead the Virgin Mary and Jesus Christ appeared to eight young people in the remote village of Kibeho Through these visionaries Mary and Jesus warned of the looming holocaust which they assured could be averted if Rwandans opened their hearts to God and embraced His love Much like what happened at similar sites such as F tima and Lourdes the messengers of Kibeho were at first mocked and disbelieved But as miracle after miracle occurred in the tiny village tens of thousands of Rwandans journeyed to Kibeho to behold the apparitions For years countless onlookers watched as the Mother and Son of God spoke through the eight seers about God s love sending messages that they insisted were meant not only for Rwandans but for the entire world to hear Mary also sent messages to government and church leaders to instruct them how to end the ethnic hatred simmering in their country She warned them that Rwanda would become a river of blood a land of unspeakable carnage if the hatred of the people was not quickly quelled by love Some leaders listened but very few believed the prophetic and apocalyptic warnings tragically came true during 100 horrifying days of savage bloodletting and mass murder After the genocide and two decades of rigorous investigation Our Lady of Kibeho became the first and only Vatican approved Marian that is related to the Virgin Mary site in all of Africa But the story still remains largely unknown Now Immacul e Ilibagiza plans to change all that She made many pilgrimages to Kibeho both before and after the holocaust personally witnessed true miracles and spoke with a number of the visionaries themselves What she s discovered will deeply touch your heart **Our Lady of Kibeho and the Rosary of the Seven**

Performing Trauma in Central Africa Laura Edmondson,2018-03-26 What are the stakes of cultural production in a time of war How is artistic expression prone to manipulation by the state and international humanitarian organizations In the

charged political terrain of post genocide Rwanda post civil war Uganda and recent violence in the Democratic Republic of Congo Laura Edmondson explores performance through the lens of empire Instead of celebrating theatre productions as expression of cultural agency and resilience Edmondson traces their humanitarian imperatives to a place where global narratives of violence take precedence over local traditions and audiences Working at the intersection of performance and trauma Edmondson reveals how artists and cultural workers manipulate narratives in the shadow of empire and how empire in turn infiltrates creative capacities
