## **Our Last Best Shot Guiding Our Children Through Early Adolescence:**

*Our Last Best Shot* Laura Sessions Stepp, 2001-08-01 *Our Last Best Shot* presents the personal stories of twelve girls and boys from across America. Their stories and Laura Sessions Stepp's extensive research provide real insight for parents trying to raise well-adjusted children in this difficult age. Filled with wisdom and common sense based on cutting edge research and featuring an invaluable resource list, this is a book that parents and educators cannot afford to be without. *Resources in Education*, 2001. Field Experience George J. Posner, 2005. The book is practical, easy to understand, and raises thoughtful, reflective questions. Vincent Walencik, Montclair State University. Designed to provoke reflection and commitment. *Field Experience* Sixth Edition guides students through field experiences including but not limited to student teaching. Highly practical in its focus. *Field Experience* Sixth Edition moves beyond a list of do's and don'ts to help students create, reflect upon, and refine a set of goals and teaching principles that will guide them through their future teaching experiences. This book addresses the various types of field experience and encourages readers to consider what they bring to that experience and what factors the school and community play. Features Chapter 12: The Fieldwork Portfolio explores the use of teaching portfolios and thematically focused final reports. Appendix B includes sample progress reports, logs, and fieldwork portfolios. Emphasizes the use of fieldwork logs, interviews with the cooperating teacher, and understanding the relationship between school and community. Applies a four-step approach: preparation, engagement, reflection, preparation to ensure an adequate foundation for and reflection on each assignment. Stresses the selection of the appropriate field experience using ethnographic techniques to help students analyze the community, school, and classroom in which the field experience takes place. Enhanced coverage of diversity as it relates to field experience is integrated throughout. Additional exercises and sample reports provide students with guidelines for a successful fieldwork experience. Special sections on multicultural education and diversity, inclusion, and teaching students with special needs, accountability, curriculum standards, and dealing with standardized tests and technology in teaching are included in this new edition. **The Library Journal**, 2000. Includes beginning Sept 15, 1954 and on the 15th of each month Sept-May a special section. School library journal ISSN 0000-0035 called Junior libraries 1954-May 1961. Also issued separately. **Forthcoming Books** Rose Arny, 2002-04. Parenting on Point James C. Williams, 2002. This book will walk parents through the important aspects of a parenting plan, offering practical tips and strategies aimed at keeping their family anchored to important family values and beliefs that will redirect them when the tug of popular culture pulls them off course. An accompanying compact disc helps individuals get to know the author as they listen to him tell his own powerful story, including the tragic death of his son and his rollercoaster ride with God, and hear his dynamic presentation of the book's highlights. The CD can be used as an introductory preview to the book as well as a helpful and convenient refresher course for busy parents of preschoolers to teens. Jim Williams' book *Parenting on Point* teaches the skills needed to nurture the growth and development of our children in today's world by focusing on point on God.
